Year 2 Miss Fereday's class

Dear Year 2 children and parents,

I hope you are all staying safe and well, and you have had a good week.

This week's letter includes some more options for your weekly home learning in maths, reading, spelling and writing, and also some projects.

Our advice for your week's home learning is to complete up to one bullet point from each section, if possible, per day. If you are able to spend between one to three hours, per day, on your home learning, that is great. Most Year Two children would benefit from doing a daily phonics or spellings session of 15 to 20 minutes, a daily reading session of between 15 to 30 minutes including discussion, a daily maths session of between 20 to 40 minutes, a daily writing session of between 10 minutes to 30 minutes depending on the task, and an active PE session. Remember to take a break between each session of learning.

Just a reminder that you are not being asked to do all of the activities, you are being provided with suggestions to choose from. Please refer to the resources on the website to help you navigate this week's learning.

If you would like your work to be celebrated on our school website then please send a photograph of it to: y2photographs@fiveways.staffs.sch.uk. It is great to see all of the brilliant learning you are doing at home!

Once again, I am aware that some children have been celebrating birthdays during this time – so 'Happy Birthday!' to all of you and I hope you have a lovely day.

I hope you enjoy choosing some activities to help you with your home learning this week.

Best wishes and take care,
from Miss Fereday
