Hello again, Tigers!

Another fantastic week filled with some brilliant learning! You are all making me so proud to be your teacher, Tigers 😊 I hope you are all okay and continuing to keep safe.

This week, I have continued to go on long walks with Chester around the local nature reserves. It is important that we all stay active and have plenty of brain breaks in between completing our home-learning. Unfortunately this week, my mum hasn't been baking so I haven't had the chance to try any more cakes! Maybe next week 😊 What have you all been up to? Let me know on Google Classroom!

Next week, we will be continuing to focus on fantasy stories in English. You should now have a good idea of both your real world and fantasy world, your portal, and your characters. If you are still unsure, please have a think about this over next week as we will begin writing our stories the week before half-term. Our grammar focus in English next week is using subordinating conjunctions/clauses accurately in our writing. We will also be reading two more chapters of our class book, 'Alice in Wonderland.' If you complete your English learning and find yourself with some spare time, please remember to log on to BugClub and read some of the books I have allocated to you – it is really important that we continue to read at home as often as we can <https://www.activelearnprimary.co.uk/login?c=0>.

In Maths next week, we will be continuing with our topic, 'Multiplication and Division.' We will start to have a look at multiplying 2-digit numbers by 2-digit numbers using both the grid method and a formal written method. It is very important that we continue to practise our recall of times table facts for this topic. Over the weekend, please log on to [TTRockstars](https://www.ttrockstars.com) and [Hit the Button](#) to practise those times table facts! You could even make up your own times table game to play with someone at home. Make learning your times tables as fun as you can! The overview for our learning for the week commencing 25th January is attached to the end of this letter. You will notice on the overview that an extra zoom meeting for Maths has been added called 'Mrs Berry's Group.' This only involves children that have been emailed with details of these meetings. If you have not been emailed, do not worry about these Zooms as they do not involve everyone.

Next week, your wider curriculum will again all be uploaded on Monday. You **do not** have to complete every task on Monday. You can spread your learning out over the course of the week as you normally would. In the learning overview at the bottom of the letter, I have put a recommended timetable for you to follow, but this is just guidance. It is up to you which activity/activities you choose to complete each day. Please ensure you are keeping your eyes peeled on our Google Classroom stream for extra challenges that I might be posting each day.

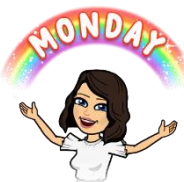

As always, each Zoom call will be roughly 20-30 minutes. When you log onto a Zoom, please make sure you are organised with paper/home-learning books and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. Please find all of the details needed for zoom below.

Keep smiling and keep safe,

Miss Lane 😊

Zoom Meeting Overview

	English	Maths	Afternoon Activities
	<p><u>Zoom Input 9am</u></p> <p><u>LO: To use my reading comprehension skills.</u></p>	<p><u>Group 1 Zoom: 10.30am</u> <u>Group 2 Zoom: 11am</u></p> <p><u>LO: To recap my knowledge of multiplying by multiples of 10, 100 and 1000.</u></p> <p><u>Mrs Berry's Group: Zoom Lesson @ 1pm</u></p>	<p><u>Weekly Project: Children's Mental Health and Well-Being Week 2021.</u></p> <p><u>Music: Learn about musical symbols with Myleene Klass.</u></p>
	<p><u>Zoom Input 9am</u></p> <p><u>LO: To compare and contrast different versions of Alice in Wonderland.</u></p>	<p><u>Group 1 Zoom: 10.30am</u> <u>Group 2 Zoom: 11am</u></p> <p><u>LO: To multiply 2-digits by 2-digits using the grid method.</u></p>	<p><u>Art: Draw with Rob tutorials.</u></p> <p><u>P.E: Have a go at the Go Noodle routines on Google Classroom.</u></p>
	<p><u>Zoom Input 9am</u></p> <p><u>LO: To explore the use of subordinating conjunctions.</u></p>	<p><u>Group 1 Zoom: 10.30am</u> <u>Group 2 Zoom: 11am</u></p> <p><u>LO: To multiply 2-digits by 2-digits using a formal written method.</u></p>	<p><u>D.T: Make a sandwich for yourself or someone in your household.</u></p>
	<p><u>Zoom Input 9am</u></p> <p><u>LO: To use subordinating conjunctions accurately in my writing.</u></p>	<p><u>Group 1 Zoom: 10.30am</u> <u>Group 2 Zoom: 11am</u></p> <p><u>LO: To consolidate my knowledge of using written methods to multiply 2-digits by 2-digits.</u></p> <p><u>Mrs Berry's Group: Zoom Lesson @ 1pm</u></p>	<p><u>P.E: This Is P.E/ Gymnastics Lesson 5</u></p> <p><u>Science: How does your heart work?</u></p>
	<p><u>Zoom Input 9am</u></p> <p><u>Spelling-based lesson</u></p>	<p><u>Group 1 Zoom: 10.30am</u> <u>Group 2 Zoom: 11am</u></p> <p><u>LO: To practise my arithmetic/mental maths skills.</u></p> <p><u>Mrs Berry's Group: Zoom Lesson @ 1pm</u></p>	<p><u>French: Learn your birthday in French!</u></p> <p><u>R.E: Humanism/What makes me happy?</u></p>
