Year 2 Miss Wright's class

Dear Year 2 children and parents,

I hope you are all feeling fit and well and full of energy because this week we have a new and exciting theme ...

it's 'Sports Week!!'

As we cannot have this year's Sports Day together at school this year we are going to celebrate all things sporty during your home learning this week.

This week's letter includes options for your home learning in maths, reading, spelling and writing, and also some projects themed around 'Sports Day'.

Our advice for your week's home learning is to complete up to one bullet point from each section, if possible, per day. If you are able to spend between one to three hours, per day, on your home learning, that is great. Most Year Two children would benefit from doing a daily phonics or spellings session of 15 to 20 minutes, a daily reading session of between 15 to 30 minutes including discussion, a daily maths session of between 20 to 40 minutes, a daily writing session of between 10 minutes to 30 minutes depending on the task, and an active PE session. Remember to take a break between each session of learning and take the chance to do something sporty.

Please continue to use 'Nessy', our online reading and spelling programme. It is a super resource and all children at Five Ways have an account. Your grown up will have received an email in March containing your log in details.

Just a reminder that you are not being asked to do all of the activities, you are being provided with suggestions to choose from. Please refer to the resources on the website to help you navigate this week's learning.

If you would like this week's sporty activities to be celebrated on our school website then please send a photograph of it to: y2photographs@fiveways.staffs.sch.uk. It is great to see all of the brilliant learning you are doing at home!

If you are celebrating your birthday this week then a huge 'Happy Birthday!' to you! I hope you have a lovely day.

Best wishes and take care,
from Miss Wright
