Hello again, Tigers!

Miss Lane here! I hope you are all ok and are continuing to keep as safe as you can. As a result of the government announcement on Monday, we will be continuing our home-learning until at least February half-term. As usual, I will be setting English and Maths tasks for you to complete after our Zoom meetings. Keep your eyes peeled on Google Classroom as I will also be setting other subject specific activities for you to access over the course of the week. I will try to follow our class timetable as much as possible.

An overview for Wednesday 6<sup>th</sup> and Thursday 7<sup>th</sup> is attached to the end of this letter.

**\*Please note that there are no worksheets/activities attached to the letter as all learning tasks can be accessed via Google Classroom at the end of each Zoom call.**

Alongside the maths tasks I have set for you on Google Classroom, I would also like you to access the 'Hit the Button' website <https://www.topmarks.co.uk/maths-games/hit-the-button> and times table rock stars [www.ttrockstars.co.uk](http://www.ttrockstars.co.uk) to keep those number facts both quick and accurate! Also, continue to check your MyMaths accounts as I may upload some extra tasks for you. <https://www.mymaths.co.uk/>

If you would like to access extra learning for English, feel free to log on to Bug Club where you have been set some more comprehension tasks. <https://www.activelearnprimary.co.uk/login?c=0>

The Zoom sessions will take place at 9am and 11am to deliver English and Maths input before completing the independent tasks on Google Classroom. I will be going over each learning task so that you are clear on what to do and can ask any questions that you may have. Each Zoom call will be roughly 20-30 minutes. When you log onto a Zoom, please make sure you are organised with paper/home-learning books and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. Please find all of the details needed for zoom below.

Keep smiling and keep safe,

Miss Lane ☺
