Hello to you all, Bears!

Happy New Year Bears, I hope you are all enjoyed the Christmas break with your family and are all keeping safe and well. Over the next two days I have set learning for you to access on Google Classroom. An overview for Monday 4<sup>th</sup> January and Tuesday 5<sup>th</sup> January is attached to the end of this letter.

**\*Please note that there are no worksheets added to the school website this week as all learning tasks can be accessed via Google Classroom.**

I will continue to teach the class online, via daily Zoom meetings, which will take place at 9am and 11am to deliver English and Maths input before completing the independent tasks, which this week can be found on Google Classroom, each English and Maths tasks are scheduled to appear in your 'classwork' **after** the zoom lesson input has been delivered. I will go over the learning task so that you are all clear on what to do and can ask any questions that you may have. Each Zoom call will be roughly 30 minutes. When you log onto a zoom, please make sure you are organised with paper/home-learning books and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. Please find all of the details needed for zoom below.

Meeting ID: 409 548 2928

Password: Bears2020

**Please note that the ID and password is the same for every meeting over the course of the week.**

In addition to the Maths tasks, I would also like you to use 'Hit the Button' website <https://www.topmarks.co.uk/maths-games/hit-the-button> and times table rock stars [www.trockstars.co.uk](http://www.trockstars.co.uk) to keep those number facts both quick and accurate! I will be announcing Times Table Rockstar Headliners in class when we return.

Remember to logon to BugClub to read books from your assigned book band. I will be keeping track and rewarding those who have completed books and quizzes like I do in class.

Don't forget to try to exercise each day. Joe Wicks has launched his new 'Wake up with Joe' workouts on his YouTube Channel this week that are about 15 minutes long. [Here is the link.](#) You can take part at any point during the day.

All being well, I'm really looking forward to seeing you in class again on Wednesday morning!

Keep smiling and keep safe,

Miss Kershaw
