Year 6 Class 6PM

Dear Hogwarts,

I hope you had a lovely weekend. I have been for lots of social distanced walks with friends to celebrate my birthday! I hope you enjoyed the games we played via Zoom – I know I did! On Sunday, I took part in a Captain Tom workout via Zoom to pay respects to Captain Tom. He often said this phrase which I am going to leave you to think about: the sun will shine on you again and the clouds will go away. You are all being super at remaining positive during our time at home and I know you are all looking forward to being back at school when we are allowed to. You all are making me SO proud! You are such a super class Hogwarts.

Again, this week, all your home learning will be on Google Classroom. Please see the timetable below for Zoom times and your home learning activities.

Remember to sit in a quiet room with minimal background noise. If you have any headphones with a microphone, please use them. Remember to enter your proper name on the Zoom app so I know who you are in the waiting room! **Please see Google Classroom for our Zoom link, ID and password.**

I would like you to aim to complete a maths and English activity following my lesson introduction via Zoom. Maths and English will be our morning lessons. In the afternoons, look at the table below and complete the afternoon activities. Documents again, will be located on Google Classroom. If you have issues accessing documents on Google Classroom, please send me a message on Google Classroom. Miss Jones has sent an important letter home to your parents, please ensure that your parents read this letter.

Don't forget to exercise for at least 1 hour per day. Try a Joe Wicks workout that is on his YouTube Channel. I will put the link on Google Classroom. There is also another PE activity for you to have a go at.

Over half term, we have a birthday in our class. I would like to wish Archie H a Happy 11th Birthday. Remember to tell me when your birthday is so I can give you a birthday shoutout in my weekly letter.

Have a lovely half term break. Get outside and enjoy as much fresh air as possible. There are some half term homework tasks that I would like you to look at on Google Classroom. This will take no more than 10 minutes a day. If you want some inspiration for some things to do, I have left a link of fun activities on Google Classroom.

Keep smiling and being brilliant,

Miss Myatt 😊
