Year 5 Class 5LL

Dear Alps,

I hope you are all still keeping safe and well and I hope you have enjoyed your week?

It is great to see so many of you trying your best at home with your home learning as I check the photos that are on the website everyday, as well as MyMaths website, Bug Club and Times Tables rock stars.

This week I have been into school with the Year 3 and 4 children with Mr Mullally again. We have continued to work hard. This week I have had my second zoom calls with you. It was so lovely to see you all again and see what you have been up to since last week. I'm pleased to hear that you have all continued with your home learning. It was great to hear what your plans are for the summer holidays. You all look fit, well and happy. Keep smiling everyone.

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. Please remember, the activities listed below are just suggestions and are not compulsory, I am aware that some of you are engaging with alternative learning resources such as BBC Bitesize and The Maths Factor, if you are happier to continue with your own learning routine then please do so.

In addition to this, try to exercise for at least 1 hour per day. Remember, you can log on to The Body Coach TV to complete a PE workout with Joe Wicks. Please see the direct link to this on our website.

If you would like your work to be celebrated on our school website then send a photograph of it to: yr5photographs@fiveways.staffs.sch.uk - please remember to check with your parent first. I have really enjoyed seeing the photographs of you working from home, on our school website.

Enjoy your home learning.
Mrs Langston

Week commencing Monday 13th July 2020

Weekly Spelling (pick one per day)

- Nesy reading spelling challenge
Please note our school subscription to Nesy is due to end on Friday 17th July.
- Make a 'spelling scribble' of your spelling words. See example.
- Make a poster for the words: suggest, symbol, system, temperature, thorough.
- Write each spelling into a sentence: suggest, symbol, system, temperature, thorough.
- Complete some of the spelling games by following the link:
<http://spellingframe.co.uk/guestword-list/31933>

- **Challenge:** Can you write a short story using all the spellings for this week?

Weekly Reading (pick one per day)

- National Oak Academy Monday: Reading Comprehension
- National Oak Academy Tuesday: Reading Comprehension
Access the National Oak Academy schedule using the link below...
<https://classroom.thenational.academy/schedule-by-year/year-5>
- Bug Club – read a book from your allocated books and complete the quiz questions within the book.
[Pobble 365 – Watchwood Forest](#) : Complete the comprehension questions on slide 2 after carefully reading the story starter on slide 1.

Weekly Writing (pick one per day)

- National Oak Academy Wednesday: Identifying the features within a text.
- National Oak Academy Thursday: SPaG Focus
- National Oak Academy Friday: Independent writing activity
Access the National Oak Academy schedule using the link below...
<https://classroom.thenational.academy/schedule-by-year/year-5>
- This week marks the week that we should have been breaking up for the summer holidays and finishing Year Five. For your writing task this week, we would like you to have a go at writing a poem based on your time in Year Five. It might help to jot down some memories as part of your plan first. It is up to you what type of poem you choose to write. Remember, not all poems have to rhyme! Use the link below to help you choose what type of poem you would like to write...<https://www.bbc.co.uk/bitesize/topics/z4mmn39>.
- Have a go at completing the 'Escape the haunted house game.' Use the clues on each card to work out the key code to escape the house. (***the link for this can be found underneath the links for this week's letters**)
[Pobble 365 – Watchwood Forest](#) Can you design your own character that could live in the forest? Write a short paragraph to describe what your new character is like.

Weekly Mathematics (pick one per day)

- The Mystery of the Great Bakes Thief (**document link on home learning page underneath this week's letters**). Can you solve the maths problems and reveal who the thief is.

Bitesize lessons:

- Lesson 1: [Regular and irregular polygons](#)
- Lesson 2: [Identify 3D shapes from 2D representations](#)
- Lesson 3: [Reflection](#)
- Lesson 4: [Translation](#)
- TTRockstars – Have you completed your studio challenges? Have you improved your rock speed?

Weekly Projects:

British Grand Prix - Silverstone 2020

17 July 2020 - 19 July 2020

The British Grand Prix is an annual grand prix motor race held at Silverstone. The race was first held in 1926 and has been a round of the FIA Formula One World Championship every year since 1950. 1950 was the first championship season, and as the British Grand Prix was the first round of the championship it's the oldest race in the calendar. The 2020 British Grand Prix has been postponed until 2021.

British Grand Prix facts:

- Silverstone track length is 5.891km
- Lewis Hamilton has the most wins with 6
- Silverstone is a former RAF site
- Ferrari has the most wins out of constructors with 16
- The race attracts around 140,000 fans

Activities you could do:

- A creative writing task where you imagine you're a driver in the race.
- A 'design your own' car activity.
- A research exercise where children pick a racing driver and write a biography on them.
- A role-play activity based on either attending or taking part in the event.

Other Learning opportunities:

International Day of Friendship 2020 - 30 July 2020

What is International Day of Friendship?

International Day of Friendship is a day to appreciate and promote friendships from all backgrounds. Celebrated across the globe on July 30, 2020, the day aims to bridge the gaps between factors such as race, language and culture. International Day of Friendship promotes the idea that fostering friendships between peoples, countries, cultures and individuals can inspire peace and build bridges between those communities.

Why is International Day of Friendship important?

Friendship requires empathy, compassion and concern for other people. By valuing and celebrating friendship, we foster these characteristics and adopt a more selfless and grateful outlook on life. Across communities, International Day of Friendship can help build and strengthen relationships in spite of differences in cultures. The day can help build a more kind and peaceful world, with implications that are wide and far-reaching.

How to celebrate International Day of Friendship

- Ring up a friend and have a chat
- Reach out to someone who you've not spoken to in a while
- Think about what unites people instead of what separates us

Five activities for International Day of Friendship

- Make a friendship bracelet
- Write a list of what you love about your friends and share it with them

- Make an International Day of Friendship display
- Think about what makes a good friend
- Write an acrostic poem with the word FRIENDSHIP
