

Art Challenge

Art curators around the world have been busy recreating famous works of art with their families. Mrs Jackson and I thought that you would enjoy having a go at this! Ask an adult to help you find a suitable piece of art and see if you can recreate it in your own home. You may have to be quite inventive with the props you use. Have fun!

If you are happy to share them on the website: yr6photographs@fiveways.staffs.sch.uk

Here are some examples:
