Year 1 Class 1CH

Dear Children,

Hello to you all. Miss Heeley here! I hope you are all ok and have had an enjoyable Christmas with your family. I have been thinking of ways to keep in touch to ensure we keep up with all of our learning whilst we are at home.

I would like you to follow the timetable below for your learning over the next couple of days, as some of the lessons follow on from one another. We will be completing the objectives that we would have covered if we were in school and I would like you to bring any work completed back in with you when we return.

This week, we will meet at 9.30am so we can do the morning register and discuss the learning for the day ahead. These meetings will be live via Zoom and should last approximately 20-30 minutes. There will be a daily English and maths activity, whilst also foundation subject activities for you to complete too. Activities for each lesson can be found on the school website. There will also be a daily story time at 2.15pm each day, again via Zoom.

When you do log onto a Zoom, please make sure you are organised with paper and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so you can hear me as clearly as possible and have your own microphone muted until invited to speak by myself.

It is the same meeting code and password for all meetings:

Join Zoom Meeting:

Meeting ID: 946 944 3670

Passcode: Y1ch2021

Please remember alongside all of the home learning provided, you can also log on to BugClub to read books from your assigned book band and access our Spelling and Reading programme, Nessy.

Miss Heeley 😊

Please find below a timetable. You will see that some sessions are provided live, via Zoom, by your child's class teacher (highlighted yellow). For other sessions please see the school website for resources you may find useful.

Please can you keep evidence of all the learning your child has completed so we can share the children's achievements when we return to the classroom. All tasks set can be done on paper, so please do not worry if you do not have a printer at home.

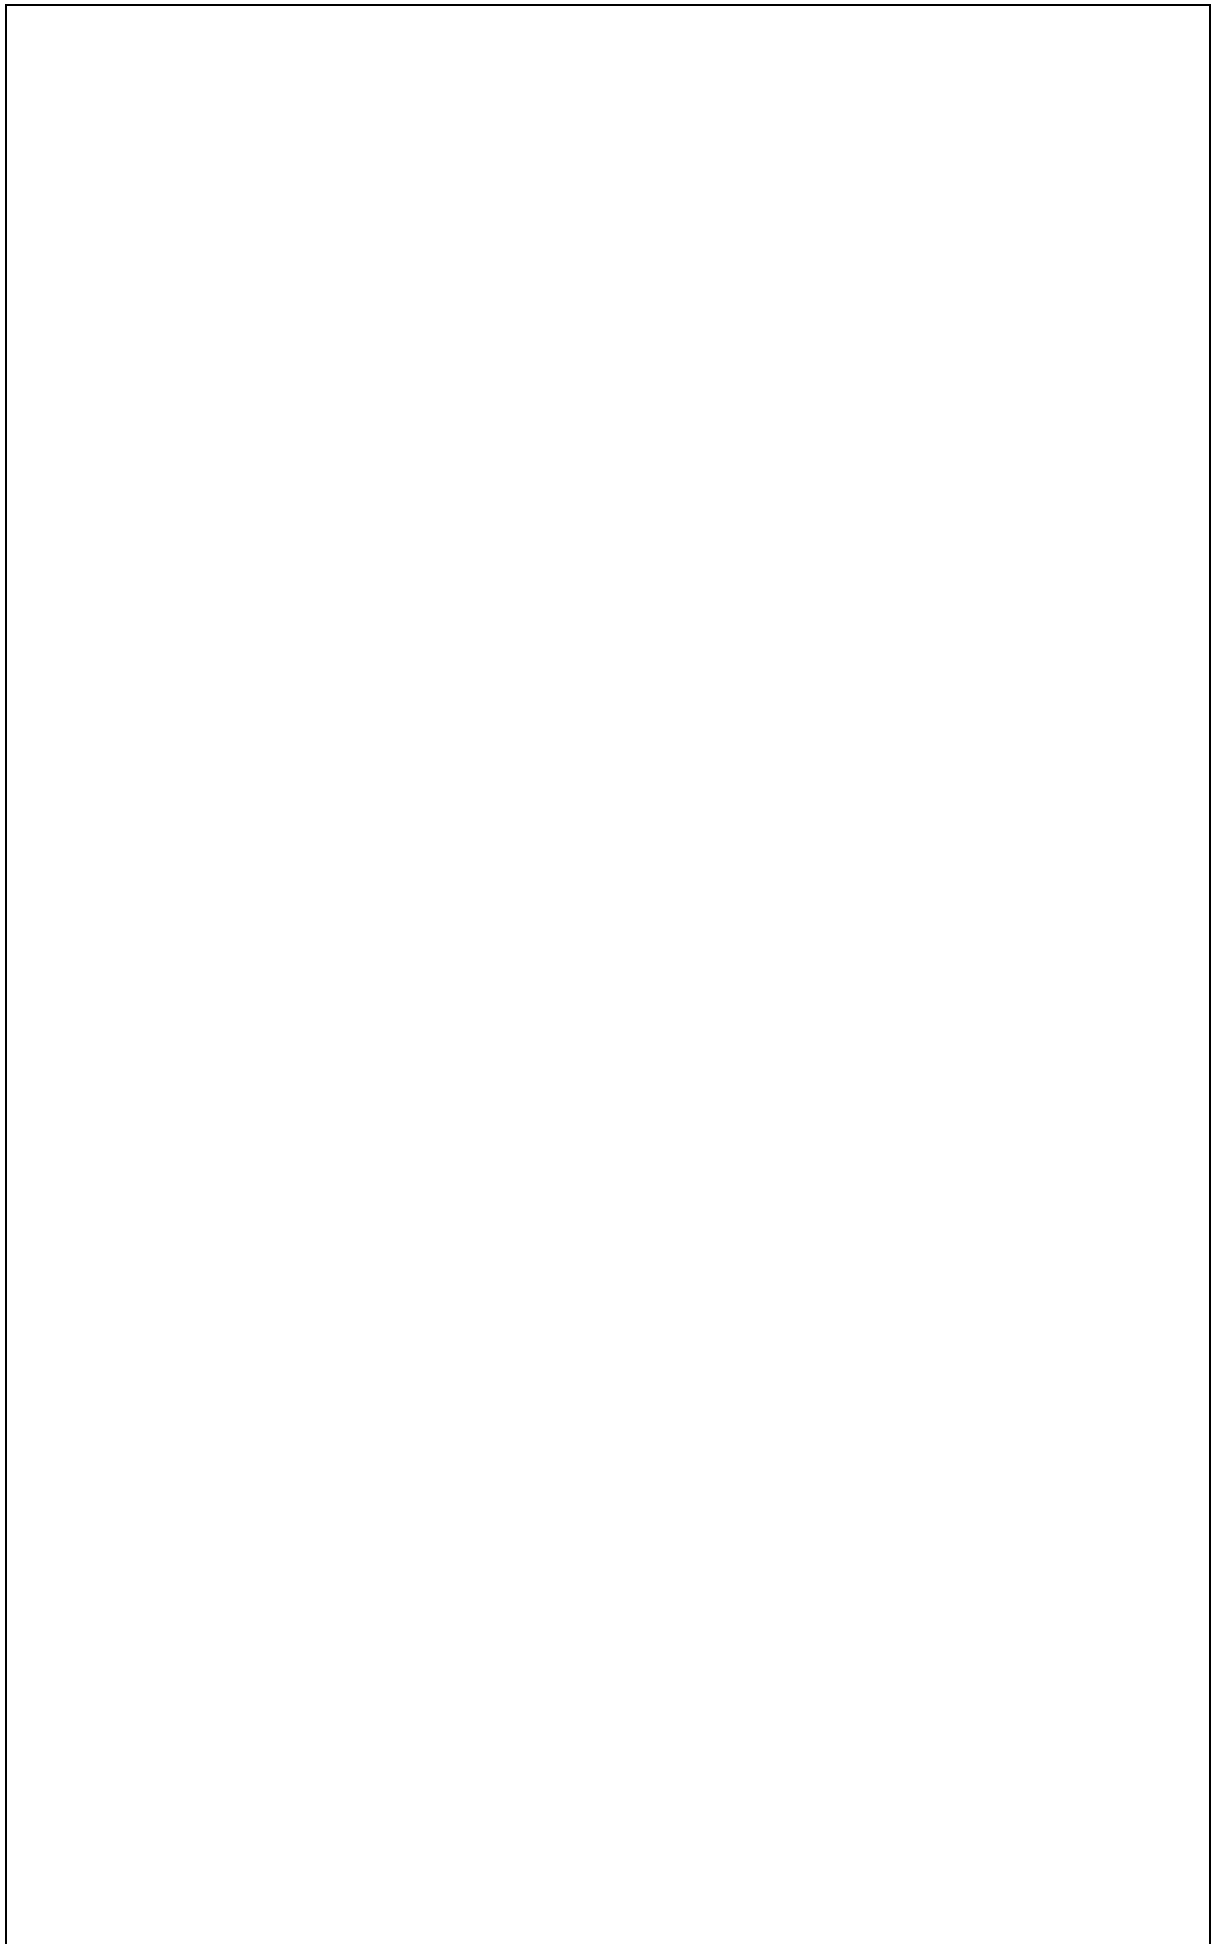

Should you have any problems, please do not hesitate to contact Miss Buchan via email at LBuchan@fiveways.staffs.sch.uk

Thank you for your continued support.
