#### **Mathematics**

- Read, write, order and compare numbers up to 10 000 000 and determine the value of each digit.
- Identify the value of each digit in numbers given to three decimal places and multiply and divide numbers by 10, 100 and 1000 giving answers up to three decimal places.
- Multiply and divide numbers with up to 4 digits using a formal written method.
- Develop reasoning skills by asking mathematical questions, e.g. Is there a pattern?

### To support your child at home:

Read and compare numbers up to 10 000 000 when they occur in the 'real world', e.g. football players salaries and charity fundraising.

**Religious Education** 

Investigate religious ceremonies and talk about the meaning of commitment.

Use resources shared on MyMaths and Times Tables Rock Stars.

### Science

- Plan investigations to answer questions.
- Control variables to ensure a fair test is carried out.
- Explain that we see things because objects reflect light from a light source into our eyes.

#### To support your child at home:

Research famous scientists, e.g. Thomas Edison.

#### **Topic - Geography**

- Use an atlas to locate countries in South America.
- Describe the human and physical features of a chosen area of South America.

#### To support your child at home:

Encourage your child to ask research questions. Use non-fiction texts and the Internet to find the answers together.

Use an artists work as inspiration for a self portrait.

#### To support your child at home:

To support your child at home:

\* Visit a local art gallery, e.g. Walsall Art Gallery

## Year 6 Curriculum – Autumn 1

## In Year 6, we are learning to:

#### Health and Relationships Education

- Respect others.
- in the 'Hello Yellow' campaign.

#### To support your child at home:

Encourage them to talk to an adult if they have a disagreement they cannot resolve.

#### Modern Foreign Languages - French

- Revise introducing ourselves and express how we are feeling.
- Make grammar links to English.

#### To support your child at home:

Share French phrases.

#### English

- Participate in discussions about books building on our own and others' ideas.
- Plan our writing by considering how authors have developed characters and settings.
- Improve our reading stamina and fluency.
- Use brackets, dashes or commas to indicate parenthesis, e.g. The boy, who was shaking with fear, edged toward the end of the diving board.
- Use dictionaries to check the spelling and meaning of words.

#### To support your child at home:

- Encourage your child to read and discuss the texts with you at least three times each week. Refer \* to the Year 6 'Reading Mission' cards to motivate them.
- Use spelling frame to revise KS2 selling rules.

### Physical Education

- Develop gymnastics sequences .
- Develop running, jumping, throwing and catching skills .
- Ride our bicycle safely on local roads. (Bikeability Level 2)
- Keep physically fit by participating in National Fitness Day. ٠

### To support your child at home:

Encourage them to share certificates and medals awarded.

#### Computing

- Use search technologies effectively, e.g. using appropriate key words in a search engine.
- Keep personal information private.

#### To support your child at home:

- Talk to them about keeping safe online.
- Further advice: www.saferinternet.org.uk

#### **Design and Technology**

- Use research to design a product fit for purpose, e.g. a deck chair.
- Apply key mathematics skills, e.g. measuring and scaling.

#### To support your child at home:

Measure at home, e.g. measuring for a new pair of curtains.

#### Music

Explain how lyrics can reflect the time and place in which they are written.

### To support your child at home:

Singing in the car is always fun!

Discuss family commitments.

# Art

- Support World Mental Health Day by taking part
