

Grammar - LO: To construct expanded noun phrases

An **expanded noun phrase** adds more detail to the **noun** by adding one or more adjectives. An adjective is a word that describes a **noun**. An **expanded noun phrase** can also add detail by saying where a **noun** is. For **example**: a tree next to the house, some sweets on the floor, the castle by the ocean.

Task

Use the 'Expanded Noun Phrases Prompt' to help you to write at least five expanded noun phrases like the example above. Remember these are phrases not full sentences.

You will be given the opportunity to share your noun phrases in tomorrow's lesson.

Challenge

Do the Quiz about expanded noun phrases on the BBC Bitesize page that we looked at in today's Zoom lesson.
