Year 4 Class 4SM

Dear Falcons,

Hope you all had a lovely Christmas. Welcome to your home learning.

Each day, we will have two, thirty-minute Zoom calls: one for maths and one for English. The first lesson will be at 9:30 a.m. and the second will be at 11:30 a.m.

The link, meeting ID and password are the same for all Zoom meetings.

Meeting ID: 935 6488 5813

Passcode: 3i9EJW

To cut out background noise and to help you concentrate it would be great if you could attach headphones with a microphone to your online device. If you haven't got a headset then please try to be sat in a quiet room, on your own, and away from any distractions. Please have a pencil and some paper to hand and try to print off or make any resources that are needed for each lesson and have them in front of you each day.

For your home learning, I would like you to aim to complete the set task that I give you each day via our Zoom lesson for maths and English. You will need to access items from the home learning page on the school website.

Don't forget to try to exercise for at least 1 hour per day. Joe Wicks has launched his new 'Wake up with Joe' workouts on his YouTube Channel this week that are about 15 minutes long. New ones are going to be posted on Monday, Wednesday and Friday. [Here is the link.](#) You can take part at any point during the day.

Remember, you are all amazing and make me incredibly proud. See you on Zoom this week!

Mrs Marsh 😊
