Year 1 Miss Buchan's class

Hello children,

I hope you have had another successful week of home learning and have also been enjoying the sunshine. Thank goodness it has returned! This week I have been busy finishing off your end of year reports and trying to do some practise 'zoom' calls, ready to see you all virtually starting next week! I can't wait! My girls have been working hard too whilst enjoying sometime in the paddling pool! I wanted to say a very special thank you to Esmae who sent me the most beautiful video message for my birthday. I loved it!

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. This includes some choices in maths, phonics, reading, spelling, writing and also some projects. Please note you are not being asked to complete all activities, you are being provided with suggestions to choose from. As stated in my previous letters there is no set expectation for how long any task should take. This is just a guide to offer extra support should you need it. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer. Please use the resources on the website to help you navigate this week's learning. However, it is important for each Year One Child to complete a daily phonics sessions of between 15 to 30 minutes. In addition to this, try to exercise for at least 1 hour per day.

I hope that lots of you have been working hard on your art work for the Caroline Bowers art award. Don't forget, you can complete a piece of work on your own, your grown up can complete a piece of work and your whole family can get involved in producing some art work. I would love to see how you are getting on with your entry or your finished product if you have managed to get that far. Please ask your grown up to send a photograph to: yr1photographs@fiveways.staffs.sch.uk

Please continue to send photos of you working hard or enjoying the sunshine so that I can put them on our school website (yr1photographs@fiveways.staffs.sch.uk) I always enjoy seeing the photographs of you on our school website. If you haven't already please go and look at all your friends achievements. (If you do attach a photo, please state that you do **NOT** wish for it to be uploaded on to the website).

Keep smiling and have fun.
Miss Buchan.

- Explore fractions: recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.
- Explore time: tell the time to the hour and half past the hour and draw the hands on a clock face to show these times.

Weekly Project: SPACE.

Our summer term topic would have been 'Space'.

This week for your project we would like you to design a space themed project. It could be a rocket made out of things around your house.

A poster all about a famous astronaut or...

For very busy families who would prefer an even simpler option:

Daily Learning:

- Nesy – 15 to 20 minutes
- Bug Club or Oxford Owl's e-library – 15 to 30 minutes including discussion.
- White Rose daily maths task or My Maths – 20 to 40 minutes
- Writing challenge – 10 to 30 minutes
- Active challenge such as PE skills

As previously stated there is no set expectation for how long any task should take. This is just a guide to offer extra support. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer.
