Year 1 Miss Buchan's class

Hello my lovely class,

I hope you have had a good week and enjoyed lots of the activities set for you on the school website. This week I have continued working hard on your end of year reports and in between those I have been decorating my kitchen and dining room. We have continued to enjoy our family walks, which this week took us to Chasewater. It was lovely although we needed our rain coats. I hope the sunshine comes back for us soon! Have you been on any new walks during your time at home?

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. As stated in my previous letters there is no set expectation for how long any task should take. This is just a guide to offer extra support should you need it. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer. Please use the resources on the website to help you navigate this week's learning. However, it is important for each Year One Child to complete a daily phonics sessions of between 15 to 30 minutes. In addition to this, try to exercise for at least 1 hour per day.

If you would like your work to be celebrated on our school website then send a photograph of it to: y1photographs@fiveways.staffs.sch.uk - please ask your grown up to do this for you. I have really enjoyed seeing the photographs of you working from home, on our school website. If you haven't already please go and look at all your friends achievements.

I hope that lots of you have been working hard on your art work for the Caroline Bowers art award. Don't forget, you can complete a piece of work on your own, your grown up can complete a piece of work and your whole family can get involved in producing some art work. I would love to see how you're getting on with your entry or your finished product if you have managed to get that far. Please ask your grown up to send a photograph to: y1photographs@fiveways.staffs.sch.uk

Enjoy your home learning and have fun!
Speak soon.
Miss Buchan.

Weekly Writing (pick one per day)	Weekly Mathematics (pick one per day)
<ul style="list-style-type: none"> Daily tasks for 'The Singing Mermaid'. Practise your handwriting and make sure you can form every letter (lower case 	<ul style="list-style-type: none"> Choose your next MyMaths challenge. Complete today's White Rose maths lesson .

and capital letter) and every number correctly.

- Access Oak National Academy: Poetry (lesson 5) and complete the writing task.
<https://classroom.thenational.academy/subjects-by-year/year-1/subjects/english/#>

- Learn to read and spell some more of the Year 1 common exception words.

https://www.fiveways-primary-school.org.uk/admin/ckfinder/userfiles/files/T-L-5155-Year-1-Common-Exception-Words_ver_4.pdf

- Write between one and five sentences every day, e.g. write about what you have done that day, write a letter to a friend or maybe write a blurb for a book you have read.

(Please see the **Home Learning: English** tasks section of the school website to support these activities.)

Challenge:

- Try to learn between 5 and 10 new words each week.

- BBC Bitesize maths lesson: Counting in 2s.

<https://www.bbc.co.uk/bitesize/articles/z693rj6>

- Oak National Academy maths challenge: To order numbers within 100.

<https://classroom.thenational.academy/lessons/to-order-numbers-within-100-272d16/>

- Choose an activity from Topmarks.

<https://www.topmarks.co.uk/maths-games/5-7years/counting>

- Choose an activity off this week's maths mat.

<https://www.fiveways-primary-school.org.uk/admin/ckfinder/userfiles/files/Year%201%20Spring%20Activity%20Mat%203.pdf>

(Please see the **Home Learning: Maths** section of the school website to support these activities and for any additional maths challenges.)

Challenge:

Maths in everyday life:

- When carrying out your daily exercise this week, try to count in 2s, 5s or 10s. You could do this whilst jumping, hopping or doing star jumps.
- More shops are opening this week and you may have no choice than to visit with your grown up. Most shops are requesting contactless payments so that we do not handle any real money. You could use your skill of estimation to try and add up the shopping as you go along. TOP TIP: Remember 'estimation' means 'a clever guess.'

Weekly Project: To design a card.

Next Sunday you may be celebrating a special day with one of your grown ups. It is Father's Day! This is a day where you may celebrate your Dad, Step-dad, Grandad, Uncle, Brother or other father figures in your lives. Your project this week is to design a card for someone special.

Please see links for ideas below:

(Please see additional 'Father's Day' activities on our school website that you may enjoy completing.)

For very busy families who would prefer an even simpler option:

Daily Learning:

- Nesy – 15 to 20 minutes
- Bug Club or Oxford Owl's e-library – 15 to 30 minutes including discussion.
- White Rose daily maths task or My Maths – 20 to 40 minutes
- Writing challenge – 10 to 30 minutes
- Active challenge such as PE skills

As previously stated there is no set expectation for how long any task should take. This is just a guide to offer extra support. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer.

We are pleased that there are lots of resources to choose from on our website but appreciate the quantity may feel a little overwhelming. You may wish to give your child exposure to the main ongoing providers (Oak Academy, BBC Bitesize, Classroom Secrets, White Rose), perhaps using one resource each day for one week, and see which one your child is most engaged by and which one meets your needs as a family (being online, or giving access to printables). Please feel reassured that these resources are all of a high quality and are produced by educational specialists including teachers.
