## Year 1 Class 1LB

Dear Children,

Hello to you all. Miss Buchan here!

I hope you have all had a wonderful half term. I have enjoyed going on lots of walks with Emily and Holly. We visited Chase Water (I saw Rosie) and Cannock Chase (quite a few times!). We also spent time baking cakes and playing lots of board games. We enjoyed making pancakes to celebrate Pancake Day. Did you make pancakes with your family? I hope you all enjoyed spending time away from the computer screens and managed to get outside for some walks too.

On our Tuesday afternoon Zoom session, I think it would be lovely if we shared our 'Holiday News' together. So if you are able to attend this Zoom, please join Mrs Crisp and I to share all the exciting things you have been up to during half term.

We are back to our home learning this week, and all the times of our Zoom calls will remain the same as last half term. You can find all the Zoom log in details on our Google Classroom stream page. We will meet each morning for a live English and maths session and two afternoons for our story time/celebration sessions. On Tuesday, the invited children, who are currently in school, will be able to join Mrs Crisp and I too.

Remember it is important that once you are logged in to a meeting, you turn your microphone off straight away. Once you are in the meeting and your microphone is muted, please complete the morning challenge until the lesson begins. It is ideal for you to use headphones so you can hear me as clearly as possible and keep your own microphone muted until invited to speak by myself. Again, at the end of each Zoom, please say goodbye sensibly and then leave the call quickly. Please ensure you are organised with paper and a pen or pencil for each morning Zoom, and that you have a quiet place to work. Whilst it is important to have a drink with you, please ensure you are not eating during these live Zoom.

Below you will find this week's timetable. As stated before half term, all the work is now available via Google Classroom. This means that from this week, only the letters will be placed on the school website. As we are progressing well on our home learning journey, this week we begin a daily 'turn in' task. Therefore, we ask that each day this

week, the assigned work is completed and a photo is attached via Google Classroom. Below is a list of the lesson and activities set to be 'turned in' each day.

**Monday** - English - Fantastic Facts

**Tuesday** - Phonics - lesson 1

**Wednesday** - Reading Comprehension - All about Giraffes

**Thursday** - Maths - ordering numbers to 20

**Friday** - Phonics - lesson 2

Please note we appreciate that this may not be possible every day, but please do try wherever possible. The [yr1photographs@fiveways.staffs.sch.uk](mailto:yr1photographs@fiveways.staffs.sch.uk) is now only for questions and queries. No photos need to be sent as the work on Google Classroom is enough. However, please do ensure you keep all work completed for us to share when we return to the classroom.

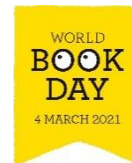

### SAVE THE DATE!

As you may be aware on Thursday 4<sup>th</sup> March is World Book Day. The children attending school are invited to dress up as their favourite book character. We would also love to see the children who are home learning dressed as their favourite book character too.

There is no pressure for the children to dress up however we do feel it would be lovely to share World Book Day as if we were in school. On Thursday 4<sup>th</sup> March one of our zoom sessions will be to show your costume and talk about why you have chosen to dress as that person. If you do not feel wearing a full costume is necessary, you could always wear a mask or hat of a story book character.

Please do not hesitate in getting in touch with me via [LBuchan@fiveways.staffs.sch.uk](mailto:LBuchan@fiveways.staffs.sch.uk)  
Thank you all for being so brilliant!

Miss Buchan 😊

Please find below this week's timetable.

We will continue to have our live Zoom lessons (highlighted yellow) and activities for all lessons can be found on Google Classroom.

Remember to keep all the evidence of your learning so we can share this when we return to the classroom.
