Year 1 Class 1LB

Dear Children,

Hello to you all. Miss Buchan here!

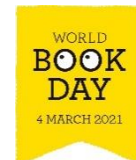

I cannot believe we are coming to an end of our lockdown home learning journey. We will have completed 8 weeks together, and I cannot tell you how proud I am of you all. I am so excited to be going back into the classroom with you all very soon. For our final week of home learning, again all the times of our Zoom calls will remain the same and all the Zoom log in details can be found on our Google Classroom stream page.

During our story time session last Thursday, Mrs Crisp and I were so impressed by some of the boys in our class. Alex, Huw and Oliver were asked if they wanted to read a story during the session. All 3 boys read brilliantly. We loved hearing Alex read his book 'Shop' and Huw read his book 'Funny Fish'. Oliver decided he wanted to share some incredible facts with us from his book 'Top 500 Facts: my amazing world.' He shared facts about cameras, engines and told us all about how paper was found in the Great Wall of China. You really impressed us boys, thank you for reading to us!

As you are aware from my previous letter, next Thursday is World Book Day. We are inviting all Year One children (both in school and at home) to dress up as their favourite book character. For the children at home, there is no pressure to dress up, however we do feel it would be lovely to share World Book Day as if we were in school. All of our Zoom sessions on Thursday we be World Book Day activities. The children will have the opportunity to show off their costume and talk about why you have chosen to dress as that person. If you do not feel wearing a full costume is necessary, you could always wear a mask or hat of a story book character. Please be sure to join us for a special Quiz during our afternoon session. Mrs Crisp will also be joining us for all the sessions on World Book Day too.

Below you will find this week's timetable. This week again, we would like the children to 'turn in' one set task a day. Therefore, the assigned work is to be completed and a photo is attached via Google Classroom. Below is a list of the lesson and activities set to be 'turned in' each day. Please note we appreciate that this may not be manageable every day, but please do try wherever possible.

Monday - Phonics

Tuesday - Maths - subtraction

Wednesday - Phonics

Thursday - World Book Day - Who are you? English task.

Friday - Reading Comprehension - Max and Margot

Once again, I would like to thank you and all your grownups for all the hard work and dedication you have put into completing all the home learning activities over the past term. We have got through it and completed it together as an amazing team. I look forward to our Zooms this week, but more so to see us all back in the classroom together on Monday 8th March.

Please do not hesitate in getting in touch with me via LBuchan@fiveways.staffs.sch.uk

Thank you all for being so brilliant, always!

Miss Buchan ☺

Please find below this week's timetable.

We will continue to have our live Zoom lessons (highlighted yellow) and activities for all lessons can be found on Google Classroom.

This week, please 'turn in' via Google Classroom:

Monday - Phonics

Tuesday - Maths - subtraction

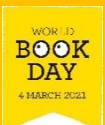

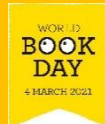

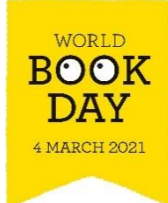

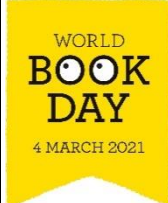

Wednesday - Phonics

Thursday - World Book Day - character writing

Friday - Reading Comprehension - Max and Margot

Remember to keep all the evidence of your learning so we can share this when we return to the classroom.
