

Listen carefully as I read sentences to you about being born in spring.

In spring many animals give birth to their young. At this time of year temperatures are becoming warmer and food won't be so difficult to find. Lambs, calves, kids and foals can be found in England's fields. It's a lovely sight.

“What a pleasure to see!” said Jay.

Now I am going to read the passage again, slowly, one sentence at a time. This time I want you to write it down.

- Write as neatly and as clearly as you can.
- Think carefully about correct spelling and punctuation, and decide when to start a new line.
- If you make a mistake, cross it out neatly and write the correction above or beside the word.
