## Year 3 - Class 3LL

Hello Leopards,

We hope you have had a fantastic Christmas, with lots of family time, presents and the odd snowball or two! You certainly deserved it after the excellent term we had last year. Although it was very different, you all responded superbly well and we are so proud of the progress you have made so far. We are sure that will continue this year as well.

As you know, the return to school has been delayed. We will be learning from home on Monday and Tuesday. We will have two zoom calls each day, one for English and one for Maths. For Leopards class these will be with Mr Mullally, as Mrs Langston is helping out elsewhere. There will be independent tasks for you to complete following these calls. All of the resources you will need will be available to print from the website. Each Zoom call will be roughly 30 minutes. When you log onto a zoom, please make sure you are organised with paper and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. Please find all of the details needed for zoom below.

In addition to this, you can still access Nessy (if you have been given a login), Bug Club, MyMaths and Times Table Rockstars.

I hope to see as many of you on the zoom calls as possible.

Enjoy your home learning.

Mrs Langston  
Mr Mullally
