Year 3 - Class 3LL

Hello Leopards,

Thanks to all those who have attended Zoom meetings this week. It has been lovely to see you and you have been so mature and sensible, making an unusual situation really enjoyable.

Thanks also to those who have started to turn in their work using Google Classroom. You should be able to read our appreciative comments and some suggestions for how to make your work even better next time.

On Wednesday and Thursday this week, we will continue to meet using Zoom. The meeting invites are below, but PLEASE NOTE that the while the English lessons are still at 9:30am, the Maths sessions have been brought forward to 10:30am. This is so that you are not kept waiting about for the second session and you will finish earlier!

There will be NO online learning on Friday. However, please remember that our usual on line resources such as Nessy (if you have been given a login), Bug Club, MyMaths and Times Table Rockstars are still available.

Your independent tasks will still be available to download from the website. We will start to put some of the tasks on Google Classroom *as well*, with the advantage being that if you submit work that way, we can read and comment on it. Over the coming weeks we will use Google Classroom more, so it is worth having a look and getting used to the way it works.

Mrs Langston
Mr Mullally

Week Commencing: Monday 4th January 2021	
English Zoom Wednesday 09:30am	Maths Zoom Wednesday 10:30am
