Monday 11th January 2020

Dear children,

Nursery Home Learning

Welcome to another week of home learning. The Nursery staff would like you all to know just how happy it makes us to see your pictures and watch your videos on Evidence Me. Please keep them coming!

A morning message will continue to be shared at **9.00** am. At **9.30** am, a phonics activity and a curriculum activity for the day will be shared, followed by a new physical activity at **11.00** am. As always, at **11.45** am, a story will be sent via parent share for you to watch.

We ask that at least one observation is sent back to staff. These can include photographs/videos of you completing the daily curriculum activity. We would encourage parents to share an observation of the phonics activity and the physical activity as well, if they feel they can.

We appreciate that there may be some technical barriers to home learning and so would like to share some information that has been passed to us by the government. If you are using mobile data in order to complete your home learning, you can get help with the cost. This link (<https://get-help-with-tech.education.gov.uk/about-increasing-mobile-data>) has more information on how the government are offering an increase to data limits on certain networks.

We as a team are also looking at ways of giving you fun learning experiences that do not rely on printed resources. You may find that this means there are more games to play or paper-based activities that do not involve printing.

The Lockdown Badge

We will be focusing on key skills for the rest of this half term, and Duggee will be helping us! Each of the daily curriculum activities will have a badge that you can earn. All you have to do is send a picture or video of you completing the activity via Evidence Me. Your badge will be sent back to you in the same way, and we will be saving a sticky copy of it for you in school as well!

At the end of the week, we will have the chance to talk about the badges you have earned, and any other news you have, during a weekly group catch-up **Zoom meeting** with your key worker. Invitations will be emailed during the week, with the intention of the meetings being scheduled for after-school on Fridays (3.45 pm – 4.00 pm).

If you have any issues please do not hesitate to email staff via NUJG@fiveways.staffs.sch.uk.

We look forward to seeing all of you on Zoom very soon!

Continue staying safe,

Miss Grice, Mrs Clark, Mrs Wright, Mrs Fereday, Miss Raba and Miss Wilson
