## Year 3 - Class 3HD

Hello Lions,

I hope you are all keeping well and that you have had a super Christmas holiday. I would like to thank you all for the lovely gifts and cards that I received. We've also been incredibly lucky having SNOW over the holidays too. Who got out there and built a snowman or had a snowball fight?

I've really enjoyed the break. I've loved spending time with my family and I've watched lots of movies. It has been strange not seeing lots of people over the holidays but I have relaxed more than usual which has been good. I've enjoyed lots of walks although Bo has only joined us for a few short walks as she is starting to get older now and she has been limping.

I would like to wish Ellie-May a very happy birthday and hope that she had fun celebrating at home! This week is Charlotte and Cruz's birthday and I hope they celebrate in style.

As you know, the return to school has been delayed until Wednesday. Therefore, we will be learning from home on Monday and Tuesday. We will have two zoom calls each day, one for English and one for Maths. There will be independent tasks for you to complete following these calls. All of the resources you will need will be available to print from the website. Each Zoom call will be roughly 30 minutes. When you log onto a zoom, please make sure you are organised with paper and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. Please find all of the details needed for zoom below.

In addition to this, you can still access Nessy (if you have been given a login), Bug Club and Times Table Rockstars. Try to exercise for at least 1 hour per day. You might choose to go for a winter walk with a grown-up or to complete a PE workout with Joe Wicks.

I hope to see as many of you on the zoom calls as possible.

Enjoy your home learning.

Mrs Darby
