Year 5 Class 5NL

Hi Pandas,

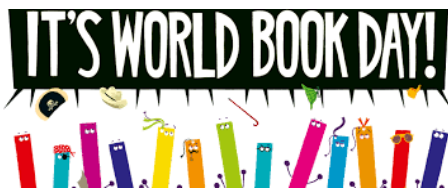

Welcome back! I hope you had a restful week during half term. You certainly deserved it! I thought your fantasy stories were fantastic and I have thoroughly enjoyed reading them. They are all so different to one another! Well done everyone - you clearly put a lot of time and effort into them. During half term, I decided to have a big sort out and sort through our study, which has boxes with lots of unused toys. However, both Ruby and Noah were reluctant to part with anything even though they haven't used them for ages! (I may have to sneak them out another time) I also went on lots of walks and bike rides. I spent time on my painting and did some baking (luckily, I didn't get sucked into the cake mixture!). I hope you had some 'down time' and are raring to go!

We will continue our zoom sessions as normal at 9.30am and 11am. Your independent tasks will be set via Google Classroom and go 'live' at the start of each zoom session. Please remember on our zoom calls to have a pencil and paper at the ready. You know the routine by now 😊

In English, we are looking at biographies and autobiographies. This is a great opportunity to find out about some important people throughout history. A reminder to keep reading independently and keeping those reading entries in your home-link books updated. In maths, we will begin our work on fractions so get ready to hear about cake and pizza a lot!

The foundation subject tasks will become 'live' on Google Classroom each Monday at 12pm. This will allow you to organise which tasks you complete on which days across the week. All tasks have been given a week's due date so that you have plenty of time to complete the tasks set. An overview of your week's learning is detailed below and all the activities and links can be accessed through Google Classroom.

Upcoming Date...

On 4th March we will be celebrating World Book Day. Children who attend a bubble in school on Thursday 4th March are invited to come to school dressed up as a character from a book if they want to. Children at home are invited to dress up too for our Zoom calls. This is optional. If you are finding it tricky to source a costume, you could make a hat, glasses or a mask to wear – or draw a picture of a favourite character to hold up instead.

Glad to be back and look forward to seeing you all on zoom!

From Mrs Lindsay 😊

Day	English Tasks will go 'live' on Google Classroom at 9.30am each day.	Maths Tasks will go 'live' on Google Classroom at 11am each day.
 MONDAY	Zoom input 9.30am <u>LO: To retrieve and infer information from a biography about Michael Morpurgo</u> See Google Classroom for task.	Zoom input 11am <u>LO: To identify: 'What is a fraction?'</u> See Google Classroom for task.
 TUESDAY	Zoom input 9.30am <u>LO: To identify features of a biography</u> See Google Classroom for task.	Zoom input 11am <u>LO: To identify: 'What is a fraction?'</u> (extended through reasoning and problem solving if ready) See Google Classroom for task.
 WEDNESDAY	Zoom input 9.30am <u>LO: To complete research for my chosen biography</u> See Google Classroom for task.	Zoom input 11am <u>LO: Identifying equivalent fractions</u> (extended through reasoning and problem solving if ready) See Google Classroom for task.
 THURSDAY	Zoom input 9.30am <u>LO: To write my biography using identified features</u> See Google Classroom for task.	Zoom input 11am <u>LO: Identifying equivalent fractions</u> (extended through reasoning and problem solving if ready) See Google Classroom for task.
 FRIDAY Both Maths and English tasks go live at 9.30am today.	Zoom input 9.30am <u>LO: To identify Y5/6 statutory spellings through proofreading and editing</u> See Google Classroom for task.	Zoom input 11am Fun session! <u>LO: Arithmetic Ladders and added challenge!</u> See Google Classroom for task.

Wider Curriculum Learning

All tasks and links to sites and videos 'go live' on Google Classroom at Monday 12pm.

Art/DT

Next Thursday (04.03.2021) is World Book Day. In preparation for our celebration of our favourite books and authors, your challenge this week is to recreate your favourite book in a box. We will share our finished creations in our class zoom calls on Thursday (04.03.2021) and try and guess the book. I have attached pictures of examples to inspire you. Be creative and have fun!

History – Mayan Foods

Explore Maya food and the importance of particular foods to their culture. Create a poster about why Maize is so important to them, include key facts and pictures.

Optional Task: Are you brave enough to try the recipe for Mayan Hot Chocolate?

Computing

Create your own fun animated Google style logo with this fun [coding tutorial](#).

Science – [Healthy Diet](#)

Lesson 4 – We cannot live without food. It is the fuel our body needs to grow, provide energy and maintain life. It is important to eat a balanced diet to make sure we include all the nutrients our bodies need to function effectively. We need to eat the right types of food in the right amounts.

- Watch and carry out the activities from the Oak academy.
- Design your own healthy meal.
- Keep a food diary over the week.

RE - Humanism – [How do Humanists celebrate different life events?](#)

This week's focus is how Humanists celebrate different life events such as marriage or a new child entering a family.

MFL

[Please Google Classroom for a video message from Mrs Moorhouse who has some exciting news about a new French Resource you can access from home.](#)

We are also pleased to inform you that a very kind parent and governor at Five Ways, Mrs Rowsell, will be recording a free French lesson each week for all children across the school to access. The link to use is [SouthStaffs \(lingotot.co.uk\)](#).

Music – [Chrome Music Lab](#)

Get creative and compose your own music using the Kandinsky app. Draw circles, lines and triangles to create different musical notes.

PE

#ThisIsPE - [Lesson 7](#) - Develop your agility skills including dodging and weaving and decision making.
#ThisIsPE - [Lesson 8](#) - King of the cones! (household objects can be used like water bottles) Have fun!
