Class 06NL

Hello Everyone!

I hope you are ok and enjoying our new way of communication. I'm glad that I can write to you all directly! This week, I have been mostly cleaning up after Ruby's constant baking and going running regularly (as I keep eating things from the constant baking ☺) Noah has also learned to ride his bike without stabilisers and now there is no stopping him!

Well done on your home learning this week. I have seen some wonderful photographs and some super scores on the My Maths activities. Well done to the girls for winning the TT Rockstars Battle! Unfortunately, we didn't win the battle against Mr Doughty's class but a new battle is set for next week so let's try and win that one! A special mention to Alfie, Megan and Hannah who gave a great contribution to both battles – well done!

There has also been an exciting announcement from TT Rockstars:

"We got in touch with **GUINNESS WORLD RECORDS** about how fast some of our times tables rockers are getting. After some conversations they have created a new title - "**the highest score achieved on 'Times Tables Rock Stars in one minute!'**" Full details can be found on the Y6 Home Learning page.

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this weeks learning. In addition to this, try to exercise for at least 1 hour per day. You could use the 'Supermovers' website and learn at the same time! <https://www.bbc.co.uk/teach/supermovers/ks2-collection/zr4ky9q>

If you would like your work to be celebrated on our school website, then send a photograph of it to: y6photographs@fiveways.staffs.sch.uk - please remember to check with your parent first. I have enjoyed seeing the photographs of you working from home. Special mentions to Max – your VE Day diary was excellent and to Isabella who sent lots of photos of her many activities!

Have a good week and remember week beginning the 25th May is half term so there will be no home learning set.

Enjoy!

Mrs Lindsay ☺

Week Commencing: Monday 18th May 2020

Weekly Project: (For this week and over half term)

I would like you to consider your entry for: The Caroline Bowers Art Award 2020.

I have already started mine as I can enter this year 😊

Reminder of the categories and guidelines:

- Pupils - one piece of work may be submitted by each pupil.
- Parents - one piece of work may be submitted by each parent.
- Families - one piece of work may be submitted by each family. Any member of the family, be it children, parents, aunts, uncles etc. may produce a single piece of work for entry but the proviso is that all the family, especially the children, are included in some way in the entry.

This year, we propose that all art entries form part of a collective theme. The chosen theme is "Moving and Growing." We hope that this will allow for a range of artistic interpretations.

It can be a drawing, painting, collage, a model or printmaking in any medium that can be displayed safely within school. Please could entries be no larger than A3. We would ask you to store the work at home safely until you are invited to return safely to school. Good Luck!
