## Class 06NL

Hello again Year 6!

It was lovely to see the second group back in school last week. I have been working in school and continuing to write your reports. There was been some crazy weather last week wasn't there? It felt like it was never going to stop raining on Tuesday night! I sat in my conservatory and watched the lightning dance across the sky. Ruby has decided she wants her room decorating so we have been scraping the wallpaper off. She is having some lilac walls and some turquoise walls. We bought some glitter to add to the paint so that should be interesting!

Well done on your home learning last week and I hope you enjoyed complaining! At school we talked about a day at a theme park and what you could complain about during your day. We also created some very strange Picasso inspired artwork using different perspectives of faces. English this week is about creating a time capsule and writing to your future self about what 2020 was like. This is a great opportunity to complete this project with a grown up and is a way of reflecting and discussing what important things you would want your future self to know/remember. You could include: newspaper headlines, photographs, work or pictures you have completed over the weeks. You could actually create your own time capsule using a cereal/shoe box or Pringles tube. You could take time to decorate it and remember to decide on when in the future you should open it!

Remember to complete one bullet point from each section, per day. Please aim to spend between 1-3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. Keep exercising for at least 1 hour per day. This week it's our virtual Sports Day. Please get the people in your home to take part alongside you. I hope you enjoy competing against your family. If you would like a picture of you taking part in Sports Day to appear on the website, send a photograph to: [yr6photographs@fiveways.staffs.sch.uk](mailto:yr6photographs@fiveways.staffs.sch.uk) - please remember to check with your parent first. If you would like to simply share your photograph with us and would prefer not to have your photograph on the website please make this clear in your message.

Finally, I would like to invite you to take part in a Five Ways Memories Film. Please see the Memories Film letter for further details. Any video clips should be sent to [y6videoclips@fiveways.staffs.sch.uk](mailto:y6videoclips@fiveways.staffs.sch.uk)

Enjoy your week!

Mrs Lindsay ☺

**Week Commencing: Monday 22nd<sup>th</sup> June 2020**

**Weekly Spelling (pick one per day)**

<https://spellingframe.co.uk/spelling-rule/70/61-Word-list-years-5-and-6---sug--to-y>

Complete at least one different activity each day and then complete the test on Friday.

Get Creative! Maybe complete a spelling squiggle using some of the Y5/6 words.

- Create an A-Z of insect names – can you find one for every letter of the alphabet?

- GPS mat uploaded onto the website.
- Bitesize lesson: 'Using commas' <https://www.bbc.co.uk/bitesize/articles/zdy8qn>

**Weekly Reading (pick one per day)**

- Comprehension Task: Celebrating the NHS – download from the school website.
- Reading lesson: Comparison <https://classroom.thenational.academy/lessons/reading-focus-comparison-a3113e>
- Reading lesson: Prediction: <https://classroom.thenational.academy/lessons/reading-focus-prediction-1f5f44/>
- Bitesize Daily Book Club: The Parent Agency by David Baddiel <https://www.bbc.co.uk/bitesize/articles/zfkrn9q>  
Using the book *The Parent Agency* you will learn how to summarise a character and share your opinion.
- 60 Second Read: – link on our website.
- Logon to Bug Club: <https://www.activelearnprimary.co.uk/login?c=0>

**Weekly Writing (pick one per day)**

This week's writing task is to write a letter to your future self as part of your time capsule project.

More details can be found on the school website: Writing Task 9 (Time Capsule).

**Weekly Mathematics (pick one per day)**

- Y6 Maths Mat Test (uploaded to our website)
- Oak National Academy - Mon-Fri <https://classroom.thenational.academy/lessons/problems-with-units-of-area>
- Use substitution to find the possible value of two variables: <https://www.bbc.co.uk/bitesize/articles/zmw83j6>
- Converting metric measures: <https://www.bbc.co.uk/bitesize/articles/zt883j6>
- Converting between miles and kilometres: <https://www.bbc.co.uk/bitesize/articles/zypy6q8>

Friday Maths challenge:

<https://www.bbc.co.uk/bitesize/articles/zkywr2p>

- Logon to my maths and choose an area/s of maths you would like to revise or learn more about. <https://login.mymaths.co.uk/login>
- TTRockstars

### Weekly Project: National Insect Week

National Insect Week encourages people of all ages to learn more about insects. Every two years, the Royal Entomological Society organises the week, supported by a large number of partner organisations with interests in the science, natural history and conservation of insect.

Some project ideas:

- Get out and about and find some insects.
- Take some photographs of some insects.
- Design your own insect. Include a drawing with labels.
- Create a butterfly garden in your back garden.
- Create an area in your garden to attract insects.
- Build a model of a chosen insect out of things you have at home, e.g. a bee, butterfly or ant.
- Make your own pooter to get a closer look at minibeasts. (See link below.)
- Make a butterfly feeding table. (See link below.)
