Class 06NL

Hi Year 6,

It was great to see some of you back at school last week. Although there were new rules and different ways of doing things – I thoroughly enjoyed my time in school. I have been also delivering the Year Six Leaver's hoodies and t.shirts which has proved a challenge! I am not very good at directions so it is taking me a while to find each address! I will be delivering after school Monday and Wednesday this week so if I haven't been to you yet – I will hopefully see you then...if I don't get too lost! The weather hasn't been as nice which does make a big difference but I have still been going out running. Ruby and I have made a huge paper mache volcano this week as part of her home learning project. Next we need to paint it and then make a mixture to see it erupt...I think we may do that part outside ☺

Well done on your home learning last week and I hope you came up with some exciting science fiction ideas! We made some fish from pop bottles in school for the recycle a bottle task and used tissue paper to create a mosaic effect! This week's maths is based on algebra. Don't forget to refer to your CGP material and any missing sections you can complete in your workbooks. English this week is about writing a letter of complaint. I said to Miss Kershaw that I could write a superb letter of complaint to Mr Covid ☺

Remember to complete one bullet point from each section, per day. Please aim to spend between 1-3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. In addition to this, try to exercise for at least 1 hour per day. This week you could create your own assault course or an exercise path – see the 'Other Useful Resources' section for ideas.

If you would like to appear on the website to share a picture of you learning in a creative way or you celebrating your birthday at home send a photograph to:
yr6photographs@fiveways.staffs.sch.uk - please remember to check with your parent first. For those of you who wish to enter the Caroline Bowers Art Competition please send in a photograph of your entry. If you would like to simply share your photograph with us and would prefer not to have your photograph on the website please make this clear in your message.

Have a great week!

Mrs Lindsay ☺

Week Commencing: Monday 8th June 2020

Weekly Spelling (pick one per day)

<https://spellingframe.co.uk/spelling-rule/69/60-Word-list-years-5-and-6---rh--to-suf->

Complete at least one different activity each day and then complete the test on Friday.

Get Creative! Maybe use some leaves/twigs to create some of the Y5/6 words!

- GPS paper uploaded onto the website.
- Bitesize lesson: 'Using apostrophes' <https://www.bbc.co.uk/bitesize/articles/zrprkxs>

Weekly Reading (pick one per day)

- Letter of Complaint – Lesson 1 Reading Focus
<https://classroom.thenational.academy/lessons/letter-of-complaint-reading-focus/>

- Letter of Complaint – Lesson 2 Reading Focus
<https://classroom.thenational.academy/schedule-by-year/year-6/>

Bitesize Daily Book Club: The Wolves of Willoughby Chase by Joan Aiken:
<https://www.bbc.co.uk/bitesize/articles/z7p6pg8>

- 60 Second Read: 'Rollercoasters' – link on our website.
- Logon to Bug Club:
<https://www.activelearnprimary.co.uk/login?c=0>

Weekly Writing (pick one per day)

This week's writing task is to write a letter of complaint.

More details can be found on the school website: Writing Task 8 (Letter of Complaint).

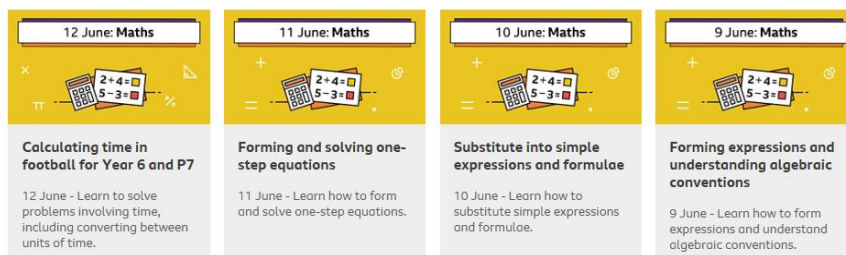

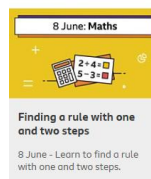

Remember to take time to plan, write and edit your writing.

Weekly Mathematics (pick one per day)

(You could follow Oak National Academy or BBC Bitesize lessons every day or a mixture)

- Arithmetic Test (uploaded to our website)
- Oak National Academy – Mon-Fri
- BBC Bitesize: Finding a rule with one and two steps (8th June). Then follow lessons in date order (details below)

<https://www.bbc.co.uk/bitesize/articles/zm6296f>

- Complete one of your CGP 10 minute tests.
- Logon to my maths and choose an area/s of maths you would like to revise or learn more about. <https://login.mymaths.co.uk/login>
- TTRockstars

Weekly Project:

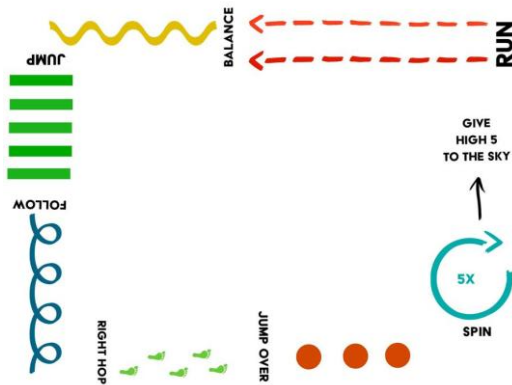

Picasso Art Challenge

Research the artist Picasso.
Now create a collage or cardboard sculpture using images of guitars as a stimulus. Remember in cubist art work objects are broken up and put back together in an abstract form. Here are some examples of work based on Picasso's art work.

Other Useful Resources:

Idea for your assault course:

Spanish lessons: Why not try some of the Spanish lessons on Oak National Academy?

Loneliness Awareness Week

This week is loneliness awareness week. At this time it is perhaps even more important to consider those around us who may be feeling a bit lonely.

Can you think of ways to make them feel better? Make sure that you stay safe.

You could:

- Make a telephone call or video call to a relative living alone.
- Send a letter or a card
- Send some flowers, chocolate or home baking.

Please make sure your adult agrees with your idea first.
