My Child's Teacher

There are two primary classrooms in Nursery, each led by a qualified teacher and an early years practitioner.

In addition to the two classrooms, there are a further three areas, which are designed for small group work and quiet times such as story time and yoga; as well as for sensory play and SEND provision.

All children will be assigned a key worker adult who will become your 'go to' adult should you need to share information or seek advice.

Should you have any further questions, during any time of the academic year, please do not hesitate to contact Miss Jones, who is our Assistant Headteacher at Five Ways and oversees the leadership of our Early Years Foundation Stage provision.

Miss Jones' office is based at the front of the school, near to the main office.
