

Outdoor Challenge 7 – Natural Art

1 - See if you can find out about an artist that uses nature in their work - Andy Goldsworthy and James Brunt are two good ones to look at first. There are lots of beautiful images on the internet that you can look at.

2 - What is special about their work? Is it influenced by particular shapes or colours? Is there anything else you notice?

3 – **Your turn!** Collect things from around your garden or when you go for a walk and have a go at creating your own masterpiece.

Have fun and don't forget to email a photograph to school!
