

Pupil Premium Information

Background

Five Ways Primary School receives a pupil premium allocation for children of statutory school age, who are known to have been eligible for Free School Meals (FSM) in the last 6 years, for children who have been looked after continuously for more than six months and for those children who currently serve in the armed forces.

Its purpose is to address inequality, ensuring that funding to tackle disadvantage and support emotional and social wellbeing, reaches pupils who need it most. Schools are free to use the pupil premium allocation as they see fit and are held accountable for how the funds have been used. *NB: the level of pupil premium will vary from year to year, as the number of children entitled changes.*

Pupil Premium Allocation Financial Year 2021 – 22

Total Number of Pupils on Roll	675
Total Number of Pupils Eligible for Pupil Premium	62 + 5
Total Pupil Premium Grant for 2021-22	£88,980

Our overall aim is to use the Pupil Premium allocation to increase the achievement of the pupils for whom this funding applies and to ensure that any barriers to learning are overcome. As the majority of barriers to learning for our eligible pupils are academic, our strategy for the use of Pupil Premium involves the largest amount being used to provide appropriate learning interventions for pupils. It is also acknowledged that personal and social issues can greatly affect academic performance for some of our pupils. Therefore a significant proportion of the school's allocation is spent supporting this aspect of school life to ensure that any such barriers to learning can be overcome. Using these principles the funding for 2021/22 has been allocated as follows:-

Activity	Detail	Pupils participating	Intended Impact	Cost
Academic intervention.	Individual and small group intervention sessions led by teaching assistants. Activities include identifying and addressing gaps in reading, phonics, writing and maths.	Pupils chosen based on attainment, progress and social development.	Impact will be measured through assessment at the end of academic interventions using termly data. Effective intervention will show pupils who receive it making good or better progress throughout the year.	£74,578
Lunchtime Nurture Club	Daily support group for pupils who find difficulty in less structured lunchtime periods.	Ever 6 pupils will be given first priority for places. Any additional places will be offered to other pupils.	Impact will be measured through improvement in social skills and ability to cope during less structured times.	£3,000
Positive Play	Weekly support for pupils to develop personal and social skills. Boxall profile used to identify areas for improvement for specific pupils.	Ever 6 pupils will be given first priority for places. Any additional places will be offered to other pupils.	Impact will be measured through improvement in Boxall profile and informal monitoring of the conduct of pupil in social situations.	£5,000
Financial support for residential trip.	Y6 pupils who are eligible for free school meals will have the cost of the Y6 residential trip fully paid.	Free School Meal pupils within Year 6 cohort.	Impact will be seen in pupils currently eligible for FSM fully participating in the residential trip, therefore developing social skills and independence.	£2202
Financial support for educational visits throughout the year.	Any pupil who is eligible for free school meals will have the cost of any educational visit fully paid and will not be asked to make a voluntary contribution to the cost.	Ever 6 pupils across the school.	Impact will be seen in pupils eligible for FSM fully participating in all visits, therefore developing academically and gaining enrichment to the curriculum.	£3,200

Personalised Extra-Curriculum Provision, e.g. Sports clubs, Lego therapy, gardening.	Individuals to be allocated funding to take part in extra-curricular activities matched to their individual needs.	Ever 6 pupils across the school.	Impact will be seen in pupils eligible for FSM fully participating in extra-curricular activities both within and outside of school, therefore developing social skills, independence and thus improving their academic achievements at school.	£1,000
				Total Spend: £88,980
