

# Pupil Premium Information

## Background

Five Ways Primary School receives a pupil premium allocation for children of statutory school age, who are known to have been eligible for Free School Meals (FSM) in the last 6 years, for children who have been looked after continuously for more than six months and for those children who currently serve in the armed forces.

Its purpose is to address inequality, ensuring that funding to tackle disadvantage and support emotional and social wellbeing, reaches pupils who need it most. Schools are free to use the pupil premium allocation as they see fit and are held accountable for how the funds have been used. *NB: the level of pupil premium will vary from year to year, as the number of children entitled changes.*

## Pupil Premium Allocation Financial Year 2018 – 19

Total Number of Pupils on Roll	680
Total Number of Pupils Eligible for Pupil Premium	45
Total Pupil Premium Grant for 2018-19	£62,940

Our overall aim is to use the Pupil Premium allocation to increase the achievement of the pupils for whom this funding applies and to ensure that any barriers to learning are overcome. As the majority of barriers to learning for our eligible pupils are academic, our strategy for the use of Pupil Premium involves the largest amount being used to provide appropriate learning interventions for pupils. It is also acknowledged that personal and social issues can greatly affect academic performance for some of our pupils. Therefore a significant proportion of the school's allocation is spent supporting this aspect of school life to ensure that any such barriers to learning can be overcome. Using these principles the funding for 2018/19 has been allocated as follows:-

Activity	Detail	Pupils participating	Impact Review	Cost
Academic intervention.	Individual and small group intervention sessions led by teachers and teaching assistants. Activities include identifying and addressing gaps in reading, phonics, writing and maths.	Pupils chosen on a half termly basis based on attainment, progress and social development. Priority given to pupils on 'Ever 6' register requiring support.	<p>Evidence in books indicate that disadvantaged pupils make at least expected progress from starting points.</p> <p>At the end of KS2 disadvantaged pupils in writing attain well above that of disadvantaged pupils nationally in 2018.</p> <p>Generally, disadvantaged pupils across the school attain higher than average in reading at the expected standard.</p> <p>Generally, disadvantaged pupils across the KS2 attain higher than average in maths at the expected standard and average at greater depth.</p>	£28,000
1 to 1 intervention. Additional study for individual pupils depending on their learning needs.	Individual or small group work for identified pupils. Carried out by teaching assistants.	Pupils chosen based on attainment and progress data. Priority given to pupils on 'Ever 6' register requiring support or able to make better than expected progress.	Pupils experienced the academic and emotional benefits of 1:1 intervention, provided by older pupils, adult volunteers who come into school and qualified SEN Teaching Assistants, e.g. Year 5 reading buddies, adult reading mentors and 1:1 TA support.	£23,690
