Year 1 Mrs Robinson's class

Hello children,

I hope you have all had a lovely week! Hopefully you have continued to enjoy some of the activities we suggested for this week.

It was lovely to be able to see and speak to so many of you on our "Zoom" meeting this week. I really enjoyed hearing what you have been doing – learning to ride bikes, going for walks, growing vegetables, celebrating birthdays, losing teeth and of course completing lots of work! I look forwards to another chance to catch up next week.

As usual, this letter includes some choices for your weekly home learning in maths, phonics, reading, spelling and writing, and also some projects.

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. As stated in my last letter, there is no set expectation for how long any task should take. These are just a guide to offer extra support should you need it. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer. Please use the resources on the website to help you navigate this week's learning. It would be important for each Year One Child to complete a daily phonics sessions of between 15 to 30 minutes.

Don't forget, if you would like your work to be celebrated on our school website then send a photograph of it to: y1photographs@fiveways.staffs.sch.uk - please ask your grown up to do this for you. I love being able to see all of the lovely activities you have been doing.

Have a good week and enjoy some of the suggested activities.

Best wishes and take care,

from Mrs Robinson
