Year 1 Mrs Robinson's class

Hello children,

I hope you have all had a lovely week and have been enjoying some of the activities we suggested for this week.

This week I have continued to enjoy my morning walks, but I was disappointed to get wet on Wednesday morning! While the weather wasn't so sunny I have been practising my piano and I enjoyed baking some chocolate cupcakes – Mr Robinson enjoyed eating them!

As usual, this letter includes some choices for your weekly home learning in maths, phonics, reading, spelling and writing, and also some projects.

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. As stated in my last letter, there is no set expectation for how long any task should take. These are just a guide to offer extra support should you need it. Some children will need to do activities in short snippets and others will be able to engage in an activity for longer. Please use the resources on the website to help you navigate this week's learning. It would be important for each Year One Child to complete a daily phonics sessions of between 15 to 30 minutes.

Don't forget, if you would like your work to be celebrated on our school website then send a photograph of it to: y1photographs@fiveways.staffs.sch.uk - please ask your grown up to do this for you. I love being able to see all of the lovely activities you have been doing.

Have a good week and enjoy some of the suggested activities.

Best wishes and take care,

from Mrs Robinson

Week Commencing: Monday 8th June 2020.
