Year 3 - Class 3EP

Hello Tigers,

I hope you have had a good weekend and I am looking forward to this weeks zoom classes. It was all very new to everyone last week, myself included. But I have to say I thoroughly enjoyed our zoom calls. I have reported back to Miss Pearsall about your excellent attitudes, outstanding behaviour and excellent quality of work. I am very proud of you all. I am sure you will keep this standard going next week. Also well done for using Google Classroom and for getting to grips with the new technology so quickly. (I also include your parents in this.) If you are having any problems with internet usage or devices, I have added links at the bottom of the letter for your grown-ups to use. You can also access Home Learning using a PlayStation or Xbox if you have one.

Remember though, that it is really important to stay happy and if you are experiencing any difficulties with your work you can message me on Google Classroom or your grown-ups can email me on googleclassroom3EP@fiveways.staffs.sch.uk and I will try to work with you to solve any issues. Try to find a balance between completing school work and doing tasks that make you feel good. It is important to take care of your well being too. I have tried to get out and have a walk most days to get fresh air and to have a break. It's important that you have time to work and time to switch off too. Try to get a balance between work and play. 😊

Like last week, our first lesson will begin at 9.30 am. We will have a register and talk about the tasks for the day before starting our English and Maths lessons. We will have two zoom calls each day, one for English and one for Maths. There will be independent tasks for you to complete following these calls. All of the resources you will need will be available to print from the website or from Google Classroom. Each Zoom call will be roughly 30 minutes. When you log onto a zoom, please make sure you are organised with paper and a pen or pencil and that you have a quiet place to work. It may also be useful to use headphones so that you can hear me as clearly as possible and have your own microphone muted until invited to speak or answer a question. It would also be useful to bring along your Home-Link book so that you can tick off bookmark stickers if you receive them. In the afternoons, there will be tasks linked to other subjects, such as Science, Topic, Art and so on. It will be a bit much for us to put them all on every week but we will add a variety as the weeks go on.

Please find all of the details needed for zoom below. If you are attending school and therefore not able to join zooms during the school day, I have included an extra zoom call on a Monday at 4.30pm so we can have a catch-up.

I hope to see as many of you on the zoom calls as possible.

Enjoy your home learning.

Mrs Langston

Week Commencing: Monday 11th January 2021

English: (9.30am each day)

Mon: Reading Little Red Riding Hood and answering related questions.

Tues: How to use a storyboard to retell/plan a story.

Wed: Summarising techniques.

Thursday: Using adverbs to modify verbs.

Fri: Spelling tests and handwriting focus.

Join Zoom Meeting

<https://zoom.us/j/92524346457?pwd=VWtSUFc3RWpDeHJFOGFJbVcvREwrdz09>

Meeting ID: 925 2434 6457

Passcode: Fiveways

Additional tasks that you might like to complete:

- Find somewhere quiet and comfy to read a book of your choice for 20 mins.
- Bug Club – remember that the books you have been allocated on here match the Book Band that you are reading in school.
- Nesy (if you have been given a login) or you can access <https://www.phonicsplay.co.uk> and use the following login details:
username: jan21
password: home
You can choose the level at which you work. Enjoy!
- Find any book and open it at any page. Copy the first three sentences using your best, joined handwriting.
- Use a range of strategies to learn your weekly spellings, e.g. pyramid words, rainbow words, write the vowels in a different colour, learn a rhyme.
- Find a recipe and ask a grown up if you can follow the instructions to make the dish.

At 3:00pm everyday you can log onto the code below to join me for story time if you want to. I am going to start reading a new class book just for fun and it would be lovely to share with you.

<https://zoom.us/j/95563165456?pwd=RVFPTWJMUhGeVRESHFTS3hEa3M2Zz09>

Meeting ID: 955 6316 5456

Passcode: A6D3CM

Maths: (11.00am each day)

Mon: Multiplying by 4

Tuesday: Dividing by 4

Wednesday: Doubling techniques.

Thurs: Multiplying by 8

Friday: Dividing by 8

Mrs Langston is inviting you to a scheduled Zoom meeting.

Join Zoom Meeting
