## Year 3 - Class 3EP

Hello Tigers,

Congratulations to you all for carrying out a whole half term online. This week will be the last week of home learning before the half term holiday. You all deserve a wonderful break, including your parents who have been supporting you through these difficult times. Every week I have spoken to Miss Pearsall to tell her how brilliant you have all been and we are both very proud of you. Last week I enjoyed reading your formal letters to Boris Johnson. You all raised some very good points in your letters.

The times of our zoom lessons this week will stay the same. Our first lesson will begin at 9.30 am. We will have a register and talk about the tasks for the day before starting our English lesson. We will have another zoom call at 11.00am each day for Maths. The codes for these lessons will be on Google Classroom on Sunday. You will find them on the Stream. On Thursday Miss Pearsall will be taking you for your English lesson as I am going to join my class for their last English lesson before half term. This is the code for Miss Pearsall Thursday's English lesson: <https://zoom.us/j/99592359595?pwd=TXYwNEJ6SHorQ0cvSVdEZXgzTkZtdz09>

Meeting ID:995 92359595

Passcode: Spellings

There will be independent tasks for you to complete following these calls. As so many of you are becoming mini experts at using Google Classroom, the resources you will need will be available from that platform. Each Zoom call will be roughly 30 minutes. You should aim to complete your Maths and English tasks each day. These tasks should be your priority. In the afternoons, there will be tasks linked to other subjects, such as Science, Topic, Art and so on. Try to complete the Science and Topic tasks as we will build on these each week. There will also be tasks linked to other subjects. It will be a bit much to include every subject, every week, but we will add a variety as the weeks go by. Choose tasks that interest you but don't feel there is any pressure to complete them all.

Every day Miss Pearsall will be reading a class book at 2:30. Please join the zoom call if you can. This is purely reading for fun.

If you are attending school and therefore not able to join zooms during the school day, an extra zoom call has been arranged on a Monday at 4.00pm so you can have a catch-up with Miss Pearsall.

Remember though, that it is really important to stay happy and if you are experiencing any difficulties with your work you can message me on Google Classroom or your grown-ups can email me on [googleclassroom3EP@fiveways.staffs.sch.uk](mailto:googleclassroom3EP@fiveways.staffs.sch.uk) and I will try to work with you to solve any issues.

If you are having any problems with internet usage or devices, I have added links at the bottom of the letter for your grown-ups to use. You can also access Home Learning using a PlayStation or Xbox if you have one.

Have a wonderful half term break. Rest, recharge and stay safe. Enjoy your home learning.

Mrs Langston

**Week Commencing: Monday 8th February 2021**

**English: (9.30am each day)**

**Mon:** Writing a Grateful poem.  
**Tues:** Alternative words for 'said'.  
**Wed:** Using appropriate words for 'said'.  
**Thursday:** Spelling and handwriting.  
**Fri:** INSET day. There will be no home learning on this day.

Remember, the zoom codes are available on Google Classroom or ask a grown-up to email me using the above email address.

- Additional tasks that you might like to complete:**
- Crystal Explorers on bbc bitesize. Find the direct link on Google Classroom.
  - Find somewhere quiet and comfy to read a book of your choice for 20 mins.
  - Bug Club – remember that the books you have been allocated on here match the Book Band that you are reading in school.
  - Nessy (if you have been given a login) or you can access <https://www.phonicsplay.co.uk> and use the following login details:  
username: jan21  
password: home  
You can choose the level at which you work. Enjoy!
  - Find any book and open it at any page. Copy the first three sentences using your best, joined handwriting.
  - Use a range of strategies to learn your weekly spellings, e.g. pyramid words, rainbow words, write the vowels in a different colour, learn a rhyme.
  - Find a recipe and ask a grown up if you can follow the instructions to make the dish.

**Maths: (11.00am each day)**

**Mon:** Adding pence.  
**Tuesday:** Adding pounds and pence.  
**Wednesday:** Number bonds to 100  
**Thurs:** Calculating Change.  
**Fri:** INSET day. There will be no home learning on this day.

- Additional tasks that you might like to complete:**
- Log on to [Times Tables Rock Stars \(trockstars.com\)](http://trockstars.com).
  - [5-8 | Students | MoneySense \(mymoneysense.com\)](http://mymoneysense.com)
  - [Money games for kids \(topmarks.co.uk\)](http://topmarks.co.uk)

**Zoom for children attending school: Mondays 4.00pm**

<b>Science:</b>	<b>Topic:</b>
Shadow investigation.	Life through the Stone Age, Bronze Age and Iron Age.
