Five Ways Primary School

Week Beginning: Monday 8th February 2021

Y6DW Tesla Class.

Dear Teslas,

Thank you for your continued hard work and enthusiasm for our learning this week. I've especially enjoyed the English work on sonnets we have been doing. It was my birthday on Sunday, and I have enjoyed spending plenty of time playing my drums and playing in VR with my new Oculus headset. Lots of fun!

Friday the 12th is an INSET day. There will not be any work set, or due, on this day nor will there be any zoom meeting. Also, as the following week is half-term, there will not be any homework set over this week. Take the time for yourself to rest, relax and enjoy the freedom over your activities.

On Tuesday, it is 'Safer Internet Day'. We will be spending some of our time completing activities and discussing the different ways we can keep our personal information and identities safe online.

Lastly, Miss Jones has sent parents an email regarding our Mock SATS week, commencing on February the 22nd. Please look out for this and read it through.

Reminder about Zoom Details

The Zoom invite will be included on Google Classroom every day. We will start at 9.00am until 11.30am. I will be online from 8.30am if you have any questions about accessing the work for that day. I would like everyone to be on from at least 8:45am so that we can complete our morning challenge and be prepared to begin our first lesson.

Please remember to find a quiet space with minimal background noise. If you have headphones with a microphone, please use them. Remember to use your real name so I know who to invite in from the waiting rooms.

If you do have any issues with internet usage, please contact me or the school office as the government are able to support with this by providing additional mobile data to your mobile devices. This can then be used to hotspot to a laptop or computer. Here is the link if you wish for further information. ([Click here](#)) Please email googleclassroom6DW@fiveways.staffs.sch.uk if you have any questions about Google Classroom.

Monday (09.02.2021)	9.00 English – Guided Reading A session where we will be going through reading comprehension questions based upon an extract.	10.00 Maths LO: To identify metric measures	Afternoon Computing – See Google Classroom RE – See Google Classroom
