Five Ways Primary School

Week Beginning: Monday 18th January 2021

Y6DW Tesla Class.

Dear terrific Teslas,

I hope you have had a great week! I've included some new and exciting resources at the end of this letter, under the 'Useful Resources' section. The two, new additions are: Blue Peter and Lingotots (where you can learn French). Please consider accessing these alongside your current learning.

You can find the timetable and outline of lessons for the week ahead on the next page. All the resources and things you will need can be accessed, day-by-day through Google Classroom. <https://classroom.google.com/>

I would like you to complete the Maths and English together as a whole class during our Zoom lessons. In the afternoons, look at the attached timetable and resources on Google Classroom and complete the activities. We will also talk about this from 11.00 – 11.30am every day to finish our Zoom meetings.

Do not forget to exercise for at least 1 hour per day!

Zoom Details

The Zoom invite will be included on Google Classroom every day. We will start at 9.00am until 11.30am. I will be online from 8.30am if you have any questions about accessing the work for that day.

Please remember to find a quiet space with minimal background noise. If you have headphones with a microphone, please use them. Remember to use your real name so I know who to invite in from the waiting rooms.

If you do have any issues with internet usage, please contact me or the school office as the government are able to support with this by providing additional mobile data to your mobile devices. This can then be used to hotspot to a laptop or computer. Here is the link if you wish for further information. ([Click here](#)) Please email googleclassrooms6DW@fiveways.staffs.sch.uk if you have any questions about Google Classroom.

Monday (18.01.2021)	9.00 English – Guided Reading A session where we will be going through reading comprehension questions based upon an extract.	10.00 Maths LO: To solve two-step algebra problems	Afternoon Computing – See Google Classroom RE – See Google Classroom

[MyMaths](#)

[Draw with Rob](#)

Homework
Set on: 18.01.2021
To be returned on: 25.01.2021

English

In your English (Stretch) CGP Book, read the extract at the top of page 16 and answer the questions on pages 16 and 17.

Maths – Percentages

Read the study guide pages on equivalent fractions, decimals and percentages and then answer pages 38, 39 and 40 of your Maths (Stretch) CGP Guide.

Spellings

In your English (Stretch) CGP book, complete pages 59 and 60 on prefixes and spelling rules.

Reading

Please remember to read at least 3 times with an adult at home. As well as any books you may have at home, do not forget you also have access to BugClub and there are also dozens of free books available from Oxford Owl ([Click Here](#))
