Five Ways Primary School

Week Beginning: Monday 25th January 2021

Y6DW Tesla Class.

Dear Teslas,

I hope you have had a lovely weekend as it has been lovely to have some extra sunshine. I have been out for a few walks, played my drums, did a little bit of DIY and I have been enjoying my Brian Cox book.

Thank you ever so much for your continued hard work and thirst for learning! I love seeing quality work produced to high standards. Let's keep it up! There are some pieces of work on Google Classroom which have been "Turned In" but there is no evidence of what work you have done because it isn't attached. If anyone would like technical help and to be shown how you can attach documents, please know that I am on Zoom before 9am every day to help with this.

Zoom Details

The Zoom invite will be included on Google Classroom every day. We will start at 9.00am until 11.30am. I will be online from 8.30am if you have any questions about accessing the work for that day. I would like everyone to be on from at least 8:45am so that we can complete our morning challenge and be prepared to begin our first lesson.

Please remember to find a quiet space with minimal background noise. If you have headphones with a microphone, please use them. Remember to use your real name so I know who to invite in from the waiting rooms.

If you do have any issues with internet usage, please contact me or the school office as the government are able to support with this by providing additional mobile data to your mobile devices. This can then be used to hotspot to a laptop or computer. Here is the link if you wish for further information. ([Click here](#)) Please email googleclassrooms6DW@fiveways.staffs.sch.uk if you have any questions about Google Classroom.
