Five Ways Primary School

Week Beginning: Monday 1st March 2021

Y6DW Tesla Class.

Dear Teslas,

Well done for a fantastic week and for completing your tests! As you may know, we are looking to reopen our school on the 8th of March and I am really looking forward to being back with you in our classroom.

I hope you have enjoyed the range of activities suggested to you this week and have been busy trying lots of different things. I have nearly completed writing an educational book for playing the drums which is exciting. It's about 80 pages long with around 1,000 bars of drum music. I am now hoping to get some drum pieces published in books from the London College of Music, for Grades on the instrument.

This Thursday (the 4th) is World Book Day. To celebrate the day (as we are studying Hamlet by Shakespeare) I thought it would be a lovely idea if we can all dress up like medieval characters and actors, or Kings, Queens and royals and enjoy the language of Shakespeare in our English! Here are some ideas:

To help with reading, Staffordshire libraries have gone online. There is now an app which you can download to access lots of new books: [Borrowbox \(click here\)](#). If you do not have a library card, it's quick and easy to sign up to get one, absolutely free.

Of all things, I liked books best. – Nikola Tesla.

Keep being incredible,

Mr Woodward

Monday (01.03.2021)	9.00 Guided Reading A guided reading session, completed together with support from the teacher	10.00 Maths To understand how to calculate the area and perimeter of a quadrilateral and triangle	Afternoon RE – See Google Classroom Computing – See Google Classroom
Tuesday (02.03.2021)	9.00 Maths To create shapes with the same area	10.00 English To understand the themes of Hamlet	Afternoon Art – See Google Classroom Science – See Google Classroom
Wednesday (03.03.2021)	9.00 Maths To calculate area and perimeter of triangles	10.00 English To summarise Act I	Afternoon Music - See Google Classroom Art – See Google Classroom
Thursday (04.03.2021) World Book Day	9.00 Maths To calculate the area of triangles	10.00 English To understand and enjoy the language of Shakespeare	Afternoon Topic – A double Topic session, please see Google Classroom.
Friday (05.03.2021)	9.00 Maths To calculate the area and perimeter of mixed shapes	10.00 English To draw parallels between Hamlet and another story	Afternoon Science – See Google Classroom PE – See Google Classroom

Useful Resources

[Lingotots: Learn French](#)

[Bluepeter](#)

[TTRockstars](#) – Keep up to date with practicing your times tables

[BugClub](#) – Aim to read for at least 15 minutes every day!

[Prodigy](#) – Get ahead of your Maths

[Google Classroom](#) – Access and download the things you need for our lessons

[MyMaths](#)

[Draw with Rob](#)

[Makecode Arcade](#) – Make your own game and play it or share with friends

[Tinkercad](#) – Design anything with simple 3D modelling

[Chrome Music Lab](#) – Lots and lots of ways to make music and create sounds
