## Year 3 Class 3DW

Hello super Leopards,

I hope you've had a great week and done some fantastic learning. I would love to find out about what you've been up to by way of receiving photographs and messages which you can send in to:

[yr3photographs@fiveways.staffs.sch.uk](mailto:yr3photographs@fiveways.staffs.sch.uk)

This week, I've been in school with the Year 3 and 4 children. We celebrated the SpaceX launch with the astronauts by making our own art poster and rockets which we launched ourselves with balloons. If you think building a balloon rocket is something you'd like to have a go at, you can find out how to do it [here](#).

At home, I've put together this Mamod Steam engine which sits on my desk at home. It heats up tap water in the boiler with a special type of candle underneath, then the steam pushes a piston to turn a flywheel. I've also been learning some 3D design software so I can begin to bring my robots and things to life. I put together this Mamod Steam engine model, then made a 3D model of it which I'm going to then animate.

Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. If you're viewing this letter in an email, you can tap on the hyperlinks in the boxes below to open the lesson and its resources, else they're available on our school site under Home Learning > Year 3.

Viewing online? [Click here to go to home learning](#)

Stay safe, stay curious, stay happy!

All the very best,

Mr. Woodward

***On 8<sup>th</sup> June it is World Oceans Day. This week our English work will be based around this theme. Please view the World Oceans Day and the Oceans of the World PowerPoints on the school website.***

<b>Weekly Spelling (pick one per day)</b>	<b>Weekly Reading (pick one per day)</b>
<ul style="list-style-type: none"><li>• Woops! Mr Woodward dropped all the letters to this week's spellings. Three words got mixed up. Can you unscramble them? THGUAC, MSAUFO, EBETRHA</li><li>• Make a poster to help you learn this week's spellings: breathe, caught, disappear, famous, guard, island</li><li>• Use each of the words in a sentence.</li><li>• You could draw a little picture, sketch, icon or image to help you remember the meaning of the word.</li><li>• Look, <b>say</b>, cover, write, check each spelling or ask a grown up to 'quiz' you on the spellings</li><li>• Colour in all of the Y3/4 statutory words you know how to spell on the statutory spelling words fish on the school website. How much of the fish can you colour in?</li></ul>	<ul style="list-style-type: none"><li>• Can you find all of the words in the under the sea word searches on the school website?</li><li>• Read the under the sea riddles on the school website. Can you work out what they are?</li><li>• Read the 10 short riddles on the website. Can you work out what they are?</li><li>• Complete the World Oceans Day reading comprehension on the school website. I suggest you try the 3 star comprehension.</li><li>• Complete the under the sea record breakers word fit on the school website.</li></ul>
<b>Weekly Writing (pick one per day)</b>	<b>Weekly Mathematics (pick one per day)</b>
<ul style="list-style-type: none"><li>• Using the sea creature fact file worksheets on the school website find as many facts as you can about your chosen sea creature. There are 18 to choose from, or you could choose your own sea creature.</li><li>• Using the under the sea riddles on the school website as an example, write a riddle of your own about the sea creature that you have just found the facts about.</li><li>• Can you answer the questions at the bottom of the under the sea riddle sheet in full sentences?</li><li>• Can you think of any other questions you would like to know about our oceans and write them out using the correct punctuation? Then try to answer your questions in full sentences using books you may have at home or the internet.</li><li>• (Recap writing) - following on from 2 weeks ago when we looked at shape poetry. Write a shape poem about one of the 10 ocean creatures on the shape templates provided on the website.</li></ul>	<p>Weekly topic: Geometry</p> <ul style="list-style-type: none"><li>• Types of Angles Refer to Leopards Maths Exercises sheet for instructions and guidance which can be found on the school website. <a href="https://www.fiveways-primary-school.org.uk/home-learning">https://www.fiveways-primary-school.org.uk/home-learning</a></li></ul>

### **Weekly Projects:**

#### Science

Continuing on from last week's work on skeletons we would like you to look at the Mighty Muscles PowerPoint. Now please complete the mindfulness activity related to muscles on the school website and the Mighty Muscles activity sheet.

#### D-Day

On 6<sup>th</sup> June it was D-Day. Please watch the PowerPoint and complete activities of your choice on the Year 3 home learning section of the school website.

### **Other Useful Resources:**

The link to the Five Ways school website for all of this week's support activities is: <https://www.fiveways-primary-school.org.uk/home-learning>
