Email: admin@fiveways.staffs.sch.uk

Year 3 Class 3SM

Hi super Turtles,

This week I have been looking forward to my visit to the hairdresser and looking after my group of key workers in school. This is my last letter to you for this academic year. So I'd like to wish you all a safe and fun summer and I hope to see you all again in September.

It was fantastic to speak to those of you that joined the Zoom calls this week. Mrs Gibbons and myself really enjoyed the quiz and the 'Go Fetch' game. We hope you liked it too? It was also really lovely to see all of your smiling faces again and some new faces joined us this week too! If you didn't manage to join last weeks Zoom, don't worry there is the last one this week. Your adults should have received the time of the meeting and how to join the meeting via their email. If your adult has not received an email with all the information then please ask them to phone the school office (01543 278071) and leave an email that the information can be sent to.

If any of you or your family are celebrating a birthday this week, then Happy Birthday!

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you access this week's learning.

In addition to this, try to exercise for at least 1 hour per day. Remember, you can log on to The Body Coach TV to complete a PE workout with Joe Wicks. Please see the direct link to this on our website.

If you would like your work to be celebrated on our school website then send a photograph of it to: - yr3photographs@fiveways.staffs.sch.uk please remember to check with your parent first. You can also reply to my weekly letters using this email address too. In addition to this we'd also love to see how some of you are getting on with your Caroline Bowers Art Award projects. Please send any pictures of your finished projects or your work in progress to this Year Three email address. We'll be in touch about when the original projects can be brought into school for judging.

Enjoy your home learning and do yourself proud.

All the very best for the holidays,

Mrs Marsh

Week Commencing: Monday 13th July 2020

This week we are continuing to learn about fables.

Weekly Spelling (pick one per day)

- Woops! Mrs Marsh dropped all the letters to this week's spellings. Three words got mixed up. Can you unscramble them?
EDIUG, WARDFOR, SSDDARE
- Make a poster to help you learn this week's spellings: address, centre, early, forward, guide, medicine.
- Use each of the words in a sentence.
- You could draw a little picture, sketch, icon or image to help you remember the meaning of the word.
- Look, **say**, cover, write, check each spelling or ask a grown up to 'quiz' you on the spellings

For my SNIP spelling group I'd like you to revisit all of the SNIP spellings learnt so far. How many can you remember? If you've forgotten any then challenge yourself to learn them again this week.

Weekly SPAG / Reading / Speaking and Listening (pick one per day)

- Go onto BBC fables website <https://www.bbc.co.uk/teach/school-radio/english-ks1--ks2-aesops-fables-index/z73s6v4> and listen to a fable of your choice. There are 40 to choose from. Tell a grown up about the story and discuss the Moral.
- Go onto BBC fables website above and listen to The Ant and the Grasshopper.
- After listening to the Ant and the Grasshopper fable please discuss the answers to the following questions with a grown up or sibling:
 - Why doesn't the grasshopper want to work, like the ant is working?
 - Why doesn't the ant want to laze around, like the grasshopper is doing?
 - Why is the ant dragging food to its nest?
 - When winter comes, how come the ant is not starving like the grasshopper?
 - Why won't the ant share its food with the grasshopper?
 - What do you think will happen to the grasshopper next?
- Complete The Ant and the Grasshopper reading comprehension sheet. I suggest you try the 1 or 2 star sheet.
- Read a book on Bug Club and answer all the questions behind the bugs.

All of these comprehension activities can be found on the school website. <https://www.fiveways-primary-school.org.uk/home-learning>

Weekly Writing (pick one per day)

- Complete the Ant and the Grasshopper word search.
- Make the Ant and the Grasshopper stick puppets.
- Write a short scene from the Ant and the Grasshopper as a play script.
- Act out your scene from the play with the stick puppets.
- Practise your cursive handwriting on the Ant and the Grasshopper sheet.

All of these writing support documents can be found on the school website. <https://www.fiveways-primary-school.org.uk/home-learning>

Weekly Mathematics (pick one per day)

This week I would like you to look at mass.

- [Measuring mass in g and kg](#)
- [Comparing mass](#)
- [Add and subtract mass](#)
- [Measuring capacity](#)
- [Maths challenges](#)

All of these tasks are from BBC Bitesize.

Weekly Project:

It's children's art week from 29th June to 19th July, so we'd like you carry on being creative.

Please look at the school website. We've added some new step-by-step guides to draw various different things. See which one takes you fancy and have a go!

We have found a lovely website for you. It is called drawing with Rob. He has lots of videos on YouTube for children. https://www.youtube.com/channel/UCBpgrJijMpk_pyp9uTbxLdg

Please send us a finished picture to yr3photographs@fiveways.staffs.sch.uk

Other Useful Resources:

Please continue to access to Nessy online. This is a fabulous tool for reading, spelling and writing. The beach section for writing is especially good. Please log onto Nessy this week (just click on the picture link on the Home Learning section of the school website) and look at some of the activities on there. *Please note our Nessy subscription will run out at the end of this week. So get as much learning in as possible while you still can! How many nuggets can you get?*

The link to the Five Ways school website for all of this week's support activities is: <https://www.fiveways-primary-school.org.uk/home-learning>

Stay curious: [Design something – Then 3D print it to make it real if you want to](#)
[Scratch – Make games, animations, even control connected devices](#)

[Oxford Owl](#)

Please continue to read the next chapters of J.K Rowling's new book The Ickabog
<https://www.theickabog.com/home/>
