

Year 6 Class 6STa

Hello Everyone,

I hope you are all keeping well and that you are enjoying spending more time with your families. I have enjoyed seeing some of your photographs on the gallery page of the website: Alicia and Madison have been baking; Joel and Benjamin have produced some incredible art work; Chloe has practised her spellings and Jack's tower model, completed with his brother, is an amazing piece of engineering!

This week I have been spending my spare time reading, walking and commemorating VE Day. I have read an interesting novel set in Tudor times and a mystery novel that I couldn't put down until I'd found the cause of the unexplained events! Roxy, our dog, has enjoyed going on daily countryside walks: across fields; along towpaths; down winding lanes and through a pretty nature reserve. On one of our walks, we saw the majestic flash of blue of a kingfisher flying between the lower branches along the canal side. On VE Day we dressed in red, white and blue and had a garden picnic. I'd love to see pictures of your VE Day decorations and family celebrations.

For those of you who have celebrated a birthday, or have one during this Lockdown, I would like to wish you a very happy birthday! Don't forget to send a photograph of you on your special day.

It is during this week that you should have been sitting your SATs assessments. It is perhaps even more important this year to remember that it is the qualities that can't be measured by an assessment that carry the most worth. Remember your acts of kindness will become treasured memories for your family in years to come.

For this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this weeks learning.

In addition to this, try to exercise for at least 1 hour per day. Remember, you can log on to The Body Coach TV to complete a PE workout with Joe Wicks. Please see the direct link to this on our website.

If you would like your work to be celebrated on our school website then send a photograph of it to: y5photographs@fiveways.staffs.sch.uk - please remember to check with your parent first. I have really enjoyed seeing the photographs of you working from home, on our school website.

Enjoy your home learning.

Mrs Tandy

Week Commencing: Monday 11 th May 2020	
Weekly Spelling (pick one per day)	Weekly Reading (pick one per day)
<ul style="list-style-type: none"> Spelling Frame www.spellingframe.co.uk Spelling Rule 25 Spelling Frame www.spellingframe.co.uk Spelling Rule 53 Make a poster to help you learn the spellings: accident, accidentally, address, answer and appear. Write these spellings out as 'word pyramids': accommodate, accompany, according, achieve and aggressive. Take the Spelling Frame Test for Rules 25 and 53. Learn the spelling you do not know yet. 	<ul style="list-style-type: none"> Oak National Academy: Setting Description Lesson 1: Reading Focus Oak National Academy: Setting Description Lesson 2: Reading Focus Reading from Bug Club – Read one story (The link and passwords can be found in your Home-Link Book) <p>Dark Stone Eye or 101 Ways to Save the Planet Before Bedtime are my recommendations for this week.</p> <ul style="list-style-type: none"> Listen to Elevenes in the World of David Walliams- www.worldofdavidwalliams.com/elevenses/ Read a recipe to help you bake a cake. How did the cake taste? Did you read the recipe well?
