

EARTH DAY 2020

As part of your home-learning over the next few days, myself, Mrs Langston and Miss Kershaw would like you to complete some research based on Earth Day which takes place on Wednesday 22nd April. You can present this research as creatively as you wish, and you can send a picture of your completed work for us to see to the email address below...

y5photographs@fiveways.staffs.sch.uk

Use the slides on the link below to gather lots of interesting facts for your research.

We can't wait to see your learning!

Miss Lane 😊
