Year 5 Class 5HL

Hello Andes Class,

I am so pleased that I got to see most of you this week via our online Zoom call. It was lovely catching up with you all and I could not be prouder of how hard you are all working at home. I very much enjoyed our virtual quiz – I hope you all did too. There was one clear winner of the quiz this week with a whole 16 out of 16! Well done Oliver R! You will all need a pencil and paper again this week as we will be doing another quiz...I will try and make it a little harder this week.

What a week I have had at school this week! On Tuesday, I celebrated with Miss Kershaw as it was her birthday. We decorated her classroom with lots of pink unicorn banners (her favourite!) and Mrs Lindsay turned up with a surprise McDonald's for lunch. Throughout the week, we have played lots of games (rounders, cricket, basketball, etc.) and have completed some lovely artwork based on the theme 'animals and nature' for International Art week. We even created some artwork on the Year 3 playground using chalk and tape – it looked fantastic (until the rain washed it away!) Next week, it will be our last week with Bubble Group 1 so we have lots of exciting things planned! I can't wait to tell you all about it in next week's letter. Unfortunately, Aston Villa are back to their losing ways and did not beat the Wolves like I had hoped. The match against Liverpool on Sunday could be an interesting one – I can only hope (with everything crossed) that we can get at least a draw.

On the 12th July, it will be Maya's birthday. Happy birthday Maya – I hope you have a fantastic day! 😊

As always, for this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. Please remember, the activities listed below are just suggestions and are not compulsory, I am aware that some of you are engaging with alternative learning resources such as BBC Bitesize and The Maths Factor, if you are happier to continue with your own learning routine then please do so.

In addition to this, try to exercise for at least 1 hour per day. Remember, you can log on to The Body Coach TV to complete a PE workout with Joe Wicks. Please see the direct link to this on our website.

If you would like your work to be celebrated on our school website then send a photograph of it to: yr5photographs@fiveways.staffs.sch.uk - please remember to check with your parent first. I have really enjoyed seeing the photographs of you working from home on our school website.

Keep keeping safe,
Miss Lane 😊
