Year 6 Class 6PM

Dear Gringotts,

I hope you all have had a good weekend. This week, I have made Terry's Chocolate Orange brownies, using a recipe from Cakes-A-Daisy, for my friend whose wedding I was meant to be a bridesmaid for. I thought it would be nice to put a smile on her face with a doorstep delivery as she has had to move her wedding to next year. I also continued with writing your reports and went on some more bike rides and runs over Cannock Chase, discovering lots of new routes.

Again, for this week's home learning, I would like you to aim to complete one bullet point from each section, per day. Please aim to spend between 1 to 3 hours, per day, on your home learning. Please use the resources on the website to help you navigate this week's learning. Remember, do not spend any more than 3 hours on a weekday on home learning activities, you need to have some fun and family time too! For some fun ideas, why not try a wildlife activity (see link in other useful resources), make a Cakes-A-Daisy brownie like me or have a go at making a Rube Goldberg machine using dominoes and household objects (see link in other useful resources).

Don't forget to exercise for at least 1 hour per day. Joe Wicks does his live workouts at 9am every weekday morning. Don't worry if you miss this start time, the workouts stay on his Youtube channel. Some other exercise ideas for this week: could you invent your own sport that you could play in your back garden? Or even have a go at playing an adapted version of the Harry Potter game of Quidditch? Use a broom as a broomstick!

Remember, if you would like your work to be celebrated on our school website then send a photograph of it to: y6photographs@fiveways.staffs.sch.uk - please remember to check with an adult at home first. Thank you for those of you who have already sent pictures in. I love seeing what you have been doing.

Enjoy your home learning. Have a lovely half term break. Fingers crossed that the sun continues to shine. Keep active and keep smiling.

Miss Myatt 😊

Week Commencing: Monday 18th May 2020	
Weekly Spelling (pick one per day)	Weekly Reading (pick one per day)
<ul style="list-style-type: none"> • Have a go at the spelling practice booklet on the home learning page. • Have a look at the Year 3/4 word list in your homelink book. Practise any words that you still may find a little tricky using backward work writing. Get a grown up to test you on the ones you pick after you have practised them. • Use your English CGP purple revision guide to look at homophones. Brain storm with an adult as many different homophones as you can. Making sure you say how each word meaning is different as you list it, e.g. their = it belongs to them, there = it is over there, they're = contraction for they are. • Have a look at the homophone spellings on Spelling Frame. Year 3 and 4 words. Spelling Rule 21, 22, 23 and 24. • Pick a spelling from the year 5 and 6 word list that is located in your homelink book. Making sure you get the correct spelling. Write each letter on a grown-ups back and get them to guess the letters to spell the words. Take it in turns. 	<ul style="list-style-type: none"> • Listen to the second chapter of Harry Potter and the Philosopher Stone – use your copy to follow along if you have one. (See link below) • Complete a book review on a book that you have read that you would recommend to a friend. Create your own template of a plain piece of paper. Think about: What the book is about, the characters, your favourite bit, why you would recommend it and how many stars you would give it out of five stars. • Use your CGP books to answer one of the reading pages – remember to use the study guides to help you. • Have a go at the Year 6 reading Bingo that is on the home learning page. • Oak National Academy – Setting description lesson 1 – reading focus. (See link below.)
Weekly Writing (pick one per day)	Weekly Mathematics (pick one per day)
<ul style="list-style-type: none"> • Plan this week's writing task (found on the home learning page) by watching the video of Tony's day and completing how he feels throughout the video and write down adjectives to describe each setting that he visits. You can play the video as many times as you need – try to pause it on certain scenes so you can get a closer look! • Write a diary entry using this week's writing task located on the home learning page • Complete a GPS test located on the home learning page. • Have a go at the mixed grammar workout on the home learning page. • Compose a limerick for World Limerick Day. (See weekly project below.) 	<ul style="list-style-type: none"> • Complete some pages in your CGP Number, Ratio & Algebra book – use the study guides to help you. • Complete some pages in your CGP Arithmetic book – use your study guides to help you. • TTRockstars - Challenge Miss Myatt and your class mates. • Complete a task on MyMaths. Use your login that is located in your homelink book. • Have a go at 5-a-day. There are different challenged each day for you to have a go at. Bronze = green. Silver = yellow. Gold = Pink. Platinum if you feel like you want a really good challenge! (See link below.) • Oak National Academy - Finding Equivalent Fractions (See link below.)

Weekly Project:

Research Project – National Limerick Day

Tuesday 12th May was National Limerick Day.

- Research what a limerick is.
- Research who began writing them.
- Have a go at writing our own and illustrating them with a picture.

Use this link to help you: <https://www.kidzone.ws/poetry/limerick.htm>

Caroline Bowers Art Award

There is a letter on the school website about the Caroline Bowers Art award this year. You can complete an art project as an individual or as a family. The theme is moving and growing.

Here is the link for the letter with more information: <https://www.fiveways-primary-school.org.uk/newsletters/1588156514.pdf> Good luck! I look forward to seeing your entries.
