The clip will provide you with lots of information about VE Day, which is taking place on Friday 8th May. After watching the video, I would like you to have a go at writing a non-chronological report all about VE Day. Remember to think about who, what, when, where, why and how when writing your report. E.g. **What** happens on VE day? **Who** celebrates VE day?

Task 2

Watch the clip titled ' The Lighthouse' by following the link below.

Have a go at re-telling the story in your own words. Remember to choose some interesting vocabulary to make your story interesting for the reader. Try to include a variety of the following in your story; relative clause, expanded noun phrase, descriptive language, fronted adverbials, subordinating clauses etc. Also, think about adding some speech to your story as you may have noticed, there is minimal speech in the clip!

Task 3: Newspaper Report

Have a go at writing a newspaper report all about the current pandemic that is happening across the world. You could even interview some family members and include their quotes in your reports! Remember to use the features of a newspaper report e.g. headline, sub headline, by-line, past tense, 3rd person, columns, paragraphs.
