

English

- Use a range of organisational features including bullet points, diagrams, captions, heading and subheadings.
- Make independent decisions about using a range of parentheses: dashes, brackets and commas.
- Use organisational and presentational devices to structure text and to guide the reader [for example: headings, bullet points, did you know boxes]
- Use a variety of strategies for learning words from personal spelling lists and the Y5/6 statutory spelling list.

Maths

- Multiply numbers up to 4 digits by one or two digit numbers, e.g. 1243×3 .
- Divide numbers up to 4 digits by a one-digit number.
- Solve problems involving addition and subtraction, multiplication and division and a combination of these.
- Measure and calculate the perimeter of composite rectilinear shapes in cm and m.
- Calculate and compare the area of rectangles using standard units: cm^2 , m^2 .

PE

- Perform dances using a range of movement patterns.
- Apply fundamental skills into competitive games such as Basketball and Badminton.
- Apply basic principles suitable for attacking and defending

Year 5 Curriculum

Spring 2 2024

In Year Five, we are learning to...

Art

- Explore and use a variety of water colour techniques
- Investigate Japanese art.
- Load paintbrushes effectively for different tasks.

MFL

- Use the appropriate genders and articles for items of clothes.
- Say what they wear in different weather/situations.
- Describe clothes in terms of their colour.

Music

- To explore genre of rap through singing, musical activities and instrument playing.

DT

- Prepare and cook savoury dishes using a range of skills.
- Understand the importance of hygiene, ensuring they have a clean and tidy cooking space.

Computing

- To continue to manipulate spreadsheets with formula.

RE

- Describe Christian holy days around Easter time and consider what people of faith might learn from stories about hardship and suffering.

How can you help at home?

- Listen to your child read at least 3 times a week.
- Encourage your child to log on to our online platforms and complete activities – Google classroom, TTRockstars, mymaths, Bug Club.
- Practise spellings regularly.

Health and Relationships Education (HRE)

Develop a growth mindset:

Resilience:

- What Resilience is.
- How we can be more resilient.
- Why resilience is important.

Feelings:

- How to recognise different feelings
- Techniques to help us cope with our feelings

Red Nose Day

Science - Forces

- Explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object.
- Identify the effects of air resistance, water resistance and friction, that act between moving surfaces.

History/Geography – Anglo Saxons

- Understand the terms 'invaders' and 'settlers' and explain some of the reasons the Anglo-Saxons wanted to settle in Britain.
- Find out how Anglo-Saxons kingdoms were organised and investigate Anglo-Saxon place names.
- Explore Anglo-Saxon religious beliefs and learn about key figures who helped the Anglo-Saxons to find out about Christianity.
