

### Mathematics

- Identify areas of mathematics I find challenging and revise these focus areas in preparation for high school.
- Solve problems involving money.
- Budget items to sell at Enterprise and calculate profit.

To support your child at home:

- ❖ Discuss with your child which areas of mathematics they find challenging and use revision tools to help them to prepare for high school.

### English

- Write texts based on a theme park I have designed.
- Proof read my writing independently and make decisions on how to edit and improve my writing independently.
- Revise Year 5 and Year 6 spelling rules in preparation for high school.
- Use Spelling Frame to revise spelling rules covered across Key Stage 2.

To support your child at home:

- ❖ Encourage your child to research the origins of certain words. Does it originate from Greek or Latin?

### Topic – History

- To study a theme in British history- Battle of Britain.
- To consider the impact on the modern day.

To support your child at home:

- ❖ Discuss key historical events that you have memories of with your child. For example, Barack Obama elected as President.

### Art

- Evaluate our artwork produced in the style of Picasso.

To support your child at home:

- ❖ Research artwork produced by Picasso.

### Religious Education

- Debate topical issues with sensitivity.
- To consider answers to ultimate (unanswerable) questions.
- To consider how hope can be shown when answering these big questions.

To support your child at home:

- ❖ Discuss how it is important to respect one another's ideas.

### Modern Foreign Languages - French

- Develop conversational Spanish by responding to questions.

To support your child at home:

- ❖ Have a conversation in Spanish at home.

## Year 6 Curriculum – Summer 2

In Year 6, we are learning to:

### Citizenship- Health and Relationships Education

- Understand how the male and female body changes physically and emotionally during puberty.
- To know about different types of families and relationships.

To support your child at home:

- ❖ Be prepared to answer your child's questions on health and relationships.

### Physical Education

- Develop the skills required to play ball games.
- To build my orienteering skills.

To support your child at home:

- ❖ Encourage your child to practise ball games at home.

### Computing

- Use microbits to code.

To support your child at home:

- ❖ Encourage your child to share their projects at home.

### Design and Technology

- Evaluate my designs and suggest improvements.

To support your child at home:

- ❖ Discuss examples of good design in the 'real world'.

### Science

- To know about microorganisms.

To support your child at home:

- ❖ To talk about scientific questions at home.

### Music

- Practise songs for the Leavers' Concert.

To support your child at home:

- ❖ To support your child in learning their song words.
