Year 5 Walking Club On 21st March, twelve children from the Year 5 Walking Club had the opportunity to plant wild flower meadows at the Old Brickworks Nature Reserve, Hednesford. The reserve itself is owned by the Land Trust and worked carried out there is overseen by Peter McNee. Peter worked with the children to sow wild flower seeds over many areas of the reserve. Once the meadows have flowered, it is hoped that children from Five Ways will have the chance to visit the area for a variety of activities. The children were extremely enthusiastic and worked very hard during the course of the afternoon.
