Dear Parents,

We are delighted to inform you of an online classroom and resource hub, for you and your child to access structured lessons, on a daily basis.

This online classroom has been commissioned by the Government and fits alongside other resources, e.g. BBC Bitesize and supplements the work already available on our school website. It offers a structure for the day for pupils and so far 180 lessons have been uploaded.

Oak National Academy provides high-quality video lessons, quizzes and worksheets, daily. These lessons are sequential and last approximately an hour per lesson.

The Oak National Academy resource can be accessed by following this link,
<https://www.thenational.academy/>

Activities and video lessons can be found by clicking on the 'Online Classroom' tab. Pupils can select one of two choices, 'Subject' or 'Schedule.' The 'Subject' tab will allow pupils to dip into different subjects and find lessons, whereas the 'Schedule' tab sets out daily lessons which can be followed for a more structured approach. English, maths and foundation lessons are available every day and can be accessed by clicking on the appropriate day of the week. Pupils will also receive instant feedback when completing the quizzes.

As mentioned in previous communication, we would love to see your child's fantastic learning at home. Dedicated email addresses have now been set up for each year group, whereby parents can send in photographs of your child/ren taking part in learning activities at home.

These photographs will be displayed on our school website. If you would like to send in any photographs of your children taking part in home learning, and you are happy for the photograph to be uploaded onto our school website, please email the photographs with your child's name, registration teacher and a brief message about the learning, to the relevant year group as follows:

Nursery children: nurseryphotographs@fiveways.staffs.sch.uk

Reception children: receptionphotographs@fiveways.staffs.sch.uk

Year 1 children: yr1photographs@fiveways.staffs.sch.uk

Year 4 children: yr4photographs@fiveways.staffs.sch.uk

Year 5 children: yr5photographs@fiveways.staffs.sch.uk

We look forward to receiving photographs of your child accessing this newly government commissioned home learning site, from Oak National Academy.

Yours sincerely,

Mrs R Mander
