## To the Parents of Pupils in Year 6

Dear Parents,

I am writing to you today to inform you of how special your Year 6 child is.

Each and every Year 6 child has worked extremely hard throughout their time at Five Ways, and The Senior Leadership Team and I, along with all the teachers and support staff who have taught your child through the years, are extremely proud of them and their achievements.

Every Year 6 child brought something special to Five Ways; this might have been their academic ability, their sporting achievements, their sense of humour, their creativity or their amazing ability to care for those around them. Every Year 6 child has talents that deserve to be celebrated.

Sadly, this year, we have not had the opportunity to come together for a Year 6 Leavers' service, which would normally be an occasion when your Year 6 children showcase their talents and put on a production which brings a tear to every parents' and staff members' eye. Sadly, Year 6 pupils have not had the opportunity to take part in special Year 6 celebrations, to mark the end of their primary years.

Nevertheless, I know that your child is about to embark on their next new adventure when they move to secondary school. I know that they will embrace the challenges that lie ahead of them, because they are very special children who have the skills and attributes to do this. Through your guidance as parents, and the skills they have developed at Five Ways, I know that they will lead confident, healthy and independent lives and become responsible citizens that we can all be proud of.

The Senior Leadership Team and I, along with the staff at Five Ways, while sad to see your Year 6 child leave us, know that every single one of them has learnt, developed and grown as a person during their time with us. This year is particularly poignant as we say goodbye to your Year 6 child after a final term, which has created many challenges, and caused so much distress and disruption to their final year here at Five Ways.

We are proud to say we have had the privilege of working with your children and seeing them develop into the wonderful young people that they are. They will be a credit to their secondary schools and will be missed hugely. On behalf of all of the staff at Five Ways, I would like to wish your child great success in the future; I know that they will succeed in everything they set their mind to. We only ask that your child remains in touch, and shares with us their successes of the future.

Yours sincerely,

Mrs Rachel Mander  
Headteacher
